

Bicycle Pedestrian Committee  
Meeting Agenda  
Oct 23, 2017

Present:

Donna Bruschi, Mark Eis, Dan Lipson, Judy Mage, Justin Myers, Matt Pilek, Michael Reade

Meeting called to order 7pm.

1. Update on S. Putt Corners Road

---

The committee shared the status of construction of shoulders on S. Putt Corners Road.

2. Mark Eis letter to Judge Bacon / Mike Hein

---

Mark Eis has drafted a letter to Mike Hein informing him that attorney/judge Jim Bacon is willing to assist us in securing permissions from landowners on 299 between Butternut Road and Route 44/55 to agree to easements to speed up the construction of shoulders on 299.

3. Update on Empire State Trail construction by Route 299 from South Road to Putt Corners Road

---

Michael Reade reported that the construction of a box culvert is out to bid now. One owner (of the business selling sheds) was a hold out. He wouldn't give an easement. So now it's going to go right across his driveway. This lost 6 months.

4. Judy restocked the flags to cross Route 299 by Water Street Market.

---

Judy added more orange flags for pedestrians to cross Route 299 at the crosswalk between Water Street Market and the Gilded Otter. Members discussed whether it would be possible to put up similar orange flags at crosswalks on Route 32 North.

Adjourned 8:31pm
