Guest: Joe Lingeman

Meeting was called to order at 7:05 p.m.

Acceptance of February 22, 2016 minutes

There were two motions made at this meeting

1. The BPC passed the following motion unanimously:

We recommend that the Village place sharrows on the following streets:

Manheim Road from H.W. DuBois up to the Main Entrance of SUNY New Paltz
Plattekill Road from Manheim to Mainstreet
Hasbrouck Road from Plattekill to Rt. 208
North Front Street from Main Street to the Walkill Rail Trail Crossing

We request that the Village DPW follow the NACTO specifications for the placement of these sharrows: <http://nacto.org/publication/urban-bikeway-design-guide/bikeway-signing-marking/shared-lane-markings/>

2. The BPC passed the following motion unanimously:

We recommend that the signage on South Putt Corners Road consist of signs W11-1 & W11-2 (<http://mutcd.fhwa.dot.gov/hdm/2009/part9/part9b.htm>). Ideally, we would favor a single post with these two signs stacked one above the other. Signage would be at both ends of South Putt Corners Road and in both directions.

We recommend that the shoulders be marked periodically with a bicycle and pedestrian stencil to remind motorists that the shoulder is not a lane for driving, passing, stopping, or parking.

We recommend the the School Zone designation be activated with the proper signage and flashing warning lights.
