

## **Community Improvement Team**

### **June 1, 2016**

ATTENDED: S. Stegen, V. Danskin, K. Prizzia

PLANS FOR WINTER HOLIDAYS EVENTS: The need to encourage more businesses in the retail area of the Village was discussed.

ENCOURAGEMENT FOR CIVIC PRIDE: New Paltz's lack of civic pride (beautification and basic property maintenance) was discussed. Several factors were mentioned: absentee landlords, inadequate enforcement of local laws, poor sidewalks, and other issues were mentioned. Vici suggested a meeting with Town and Village officials to bring up the need for a more coordinated effort than CIT alone can make. She planned a meeting for June 23 for a discussion with municipal officials.
