# What to do if You Test Positive with an At-Home Rapid COVID Test

**PSA**

✓ Follow the manufacturer's instructions for administering the test.

✓ Take a picture of the positive at-home test result within 24 hours for the Department of Health.

✓ Report positive test results to the Department of Health online at covid19.ulstercountyny.gov/hometest or by calling (845) 443-8888.

✓ Self-isolate: have separate living and bathroom facilities from the rest of your household members

✓ Consult a doctor or go to the ER if symptoms worsen or you have trouble breathing

✓ A public health nurse will contact you. Answer the phone to unfamiliar numbers.

✓ While antigen tests are reliable, it is possible to receive a **false negative**. If you test negative, and have symptoms, take another test within 24-48 hours.
