

On October 1st, the Community Partnership For A Safer New Paltz and the New Paltz Youth Program will begin another 11 week program every Thursday at the NP Middle School called...

## \*\*\*\*Project Alert\*\*\*\*

### Free Food, Free Field Trips, Lots of Prizes, Tons of Fun!

Today more than ever, teens need help resisting drugs. Project ALERT is a proven solution— nationally recognized, middle school age, substance abuse program that gives students insight, understanding and actual skills for resisting substance abuse. Project ALERT successfully addresses tobacco, alcohol, marijuana and inhalants, the substances young teens are most likely to use.

Each session lasts approx. 1 hour and will be run by a licensed social worker and trained youth service providers.

Prizes for participation include: movie tickets, movie rentals and one fun field trip of your choosing. Snacks are provided.

This is a unique opportunity, space is limited.

Call Jim at 255-5140, for more info.
