

The Climate Smart Tiffin Project

Tiffins are made of stainless steel, reusable thousands of times, and easily washed in a

- Sturdy Latching System
- 100% Recyclable
- Top Lid Doubles As A Plate
- Safe & Non-Leaching
- Handle Folds Down For Easy Storage
- BPA & Phthalate-Free
- Dishwasher & Oven Safe
- Made Of 200, 14/1 Grade Stainless Steel

dishwasher. They are the perfect way to reduce your use of single use containers!

Our Tiffin Project is a direct outgrowth of trying to reduce waste through the reuse of a container for take-out from restaurants. To buy a tiffin at our cost of \$15, contact Jim O'Dowd via his email:

jimmyodowd@yahoo.com. We have now gone through four

wholesale orders of these tiffins! Will you help us further promote the New Paltz Tiffin Project? Please contact Janelle if you would like to help with this project by emailing newpaltzclimatesmart@gmail.com.
