

New Paltz Recreation Soccer Registration Information

Our Mission: The mission of New Paltz Recreation Soccer is to deliver a quality youth soccer program which promotes a fun, family environment. Our program is open to all children in Pre-K through grade 7 who want to register and play soccer. Interest and enthusiasm are the only criteria for playing. There are no try-outs. We believe that all players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, in order to maximize their enjoyment of the game. Please visit www.newpaltzrecreationsoccer.org for further information and our responses to frequently asked questions.
