

Parkinson's Awareness Month Proclamation

WHEREAS, Parkinson's disease is a progressive neurological movement disorder of the central nervous system, which has a unique impact on each patient; and

WHEREAS, according to the Parkinson's Action Network, the Parkinson's Disease Foundation, the American Parkinson's Disease Association and the National Institutes of Health, there are over one million Americans diagnosed with Parkinson's disease; and

WHEREAS, symptoms include slowness, tremor, difficulty with balance and speaking, rigidity, cognitive and memory problems; and

WHEREAS, although new medicines and therapies may enhance life for some time for people with Parkinson's, more work is needed for a cure; and

WHEREAS, increased education and research are needed to help find more effective treatments with fewer side effects and ultimately a cure for Parkinson's disease; and

WHEREAS, a multidisciplinary approach to Parkinson's disease care includes local wellness, support, and caregiver groups; and

WHEREAS, April has been proclaimed as World Wide Parkinson's Awareness Month for all to recognize the need for more research and help in dealing with the devastating effects of Parkinson's disease.

NOW, THEREFORE, the Town of New Paltz does hereby proclaim April as Parkinson's Awareness Month in 2019.

Given under my hand in these free United States in the Town of New Paltz, on this day of two thousand and nineteen, and to which I have caused the Seal of the Town of New Paltz to be affixed and have made this proclamation public.

Neil Bettez, Town Supervisor
