To whom it may concern,

Thank you for considering hosting Dr. Mike's Doggie Duathlon on October 22nd, 2016. This is a first time event with the sole purpose of garnering support and raising awareness for Dr. Mike Halstead, a local Veterinarian. Dr. Mike was recently diagnosed with melanoma cancer, the deadliest form of skin cancer. In 2016 over 144,000 Americans are expected to be diagnosed with melanoma and approximately 10,000 Americans succumb to the disease yearly.

Dr. Mike is awaiting treatment options, but his friends and family have decided not to wait and want to show him our support. The idea of this duathlon came to fruition on the heels of the Spring Dual for Cystic Fibrosis. This event has been successful for many years, and when I spoke to Mike about starting an event he wanted to replicate the Spring Dual. Mike is an accomplished Triathlete himself, as well as, a dedicated father and husband. His wife Michelle is an administrator at SUNY New Paltz and his son Drew will be starting his freshmen year at New Paltz this fall. Mike has been a friend, mentor, and benefactor to many in the multisport community, and we would like to show him our love and respect with this event.

Proceeds of this event will go to the Melanoma Research Foundation. I am currently in the process of getting the event sanctioned through USA Triathlon, which will include certification of insurance. I do not for see any problems and will supply the proper documentation when available. As race director I am also putting together a team of local supporters with experience in many local events and charities. Thanks again for considering hosting this event and if you have any questions do not hesitate to contact me.

Yours Truly,

Bill Shashaty
