cc: Bldg Insp.
Supervisor

Date: August 4, 2014

Building/Dept: Town of New Paltz, N.Y.

Name of person submitting request/~~repair~~ Helene Christie

Nature of problem/~~repair~~ ^{Remedy} Requested:

Mold - in the basement. (Former quarters of our Building and Grounds Dept.) Growing up the wall. Records from several Departments are being stored in this area. Many of them were mandated to keep "in Perpetuity" (Forever). Personnel depositing or retrieving records from this area have experienced "burning eyes", "throat congestion". Is "mold abatement" planned for these records that have been contaminated prior to transfer to a new or different facility? JC
