Spring Duathlon (Dual) Against Cystic Fibrosis

- Requesting permission to host a duathlon (run-bike-run) on Saturday April 26, 2014. Race is insured by USA Triathlon and locally sponsored by the Reformed Church of New Paltz and Bike Depot. Race committee obtains insurance certificate and lists Reformed Church of New Paltz as Additional Insured and provides Town, Village and Church with copies of Insurance Certificate. Expected race size 100-150 people. No bigger than 150 people. (Last 2 years we had 100-120 participants).
- Race transition area would be in parking lot of Reformed Church on Huguenot Street (lot next to church) and race start will be on Huguenot St in front of church.
- Run south on Huguenot Street, turn left at North Front Street, left onto rail trail going north. Continue on rail trail to Huguenot Street intersection, turn left onto Huguenot Street and return to transition area.
- Bike course would be from transition onto Huguenot Street, past Gilded Otter. Right turn onto 299, right turn onto Springtown Road (5 miles down and back). Turn around on Springtown Road at River Road intersection. Bike back to transition area. Chain link at "Y" intersection of Huguenot and North Front Street to be removed during race to allow for more space for bikes to pass through (permission for this obtained from Huguenot Street Historical Society).
- Repeat run course. Finish line in front of Reformed Church of New Paltz. A Kids Fun Run/Dual will take place after this event using same course. This event will also be insured and run by volunteers.
- Bike and run courses are marked with spray chalk (environmentally safe, washes off in rain, does not permanently mark road). Playground chalk will be used on Huguenot Street instead of spray chalk. Cones were also used to mark lanes for runners and bikers for safety in area in front of church. Some road markings were done the night before the event.
- Event is a fundraiser for The Cystic Fibrosis Foundation being sponsored by The Reformed Church of New Paltz and Bike Depot. 100% of profits of this race are donated to the Cystic Fibrosis Foundation.
- Volunteers will be directing people to park in Municipal lot on Huguenot Street, in Rail Trail lot, along Broadhead Street and in whatever spots allowed in Education Building parking lot. Managers and owners of La Stazione will be contacted again this year for permission to use their lots for parking. These businesses have supported Cystic Fibrosis fundraising events in the past. Participants will walk their bikes from parking lots to event start in front of church. This distance from parking to the event start is not uncommon for a race of this nature.
- Permission received from Reformed Church of New Paltz and will be received again from HHS.

 Police presence requested at intersection of Huguenot Street and 299 to slow traffic and possibly stop traffic briefly to allow for bikes to cross bridge. Also requesting a police officer be at Intersection of Springtown Road and 299 to slow or briefly stop traffic and allow for bikes to cross over on the way back from Springtown to Huguenot Street. **All crossings and intersections will also have volunteers present for safety.**

 *Additional paid police are not needed. We have done this event for past 2 years with volunteers only.*

- Huguenot Street to be closed during race from Mulberry Street to Broadhead Street intersection. (Open to residents wishing to leave or get to their homes). Open from Broadhead Street to North Front Street. North Front Street open to traffic.

Carol,

We received the faxed Parade/Event request from Town Hall for the Cystic Fibrosis Duathlon scheduled for April 26, 2014. The event does not require additional police coverage. Participants will adhere to the rules of the road and volunteers will be staffed along the course. As we have done previously, patrols working during this event will assist if calls allow and be visible to deter unsafe vehicle operation in the area.

Please call me with any questions. Thank you.
