

Memo

September 2, 2015

From: Stacy Delarede, Building Inspector

To: Susan Zimet, Supervisor

Members of the Town Board

Re: Request for Approval for an interim Wetland Inspector

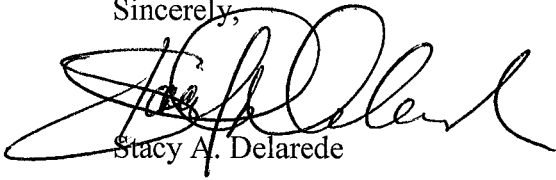

Dear Susan,

Since our Wetland Law became effective, the Town has been without a wetland inspector.

I have learned that the Planning Board will be using Norbert Quenzer of Bagdon Environmental as its interim wetlands inspector.

I am requesting that the Town Board also appoint Mr. Quenzer as the interim Wetland Inspector for the Building Department. I have a few applications that require inspections.

Sincerely,

A handwritten signature in black ink, appearing to read 'Stacy A. Delarede', written over a printed name.

Stacy A. Delarede

Building Inspector
