

Short Environmental Assessment Form

Part 1 - Project Information

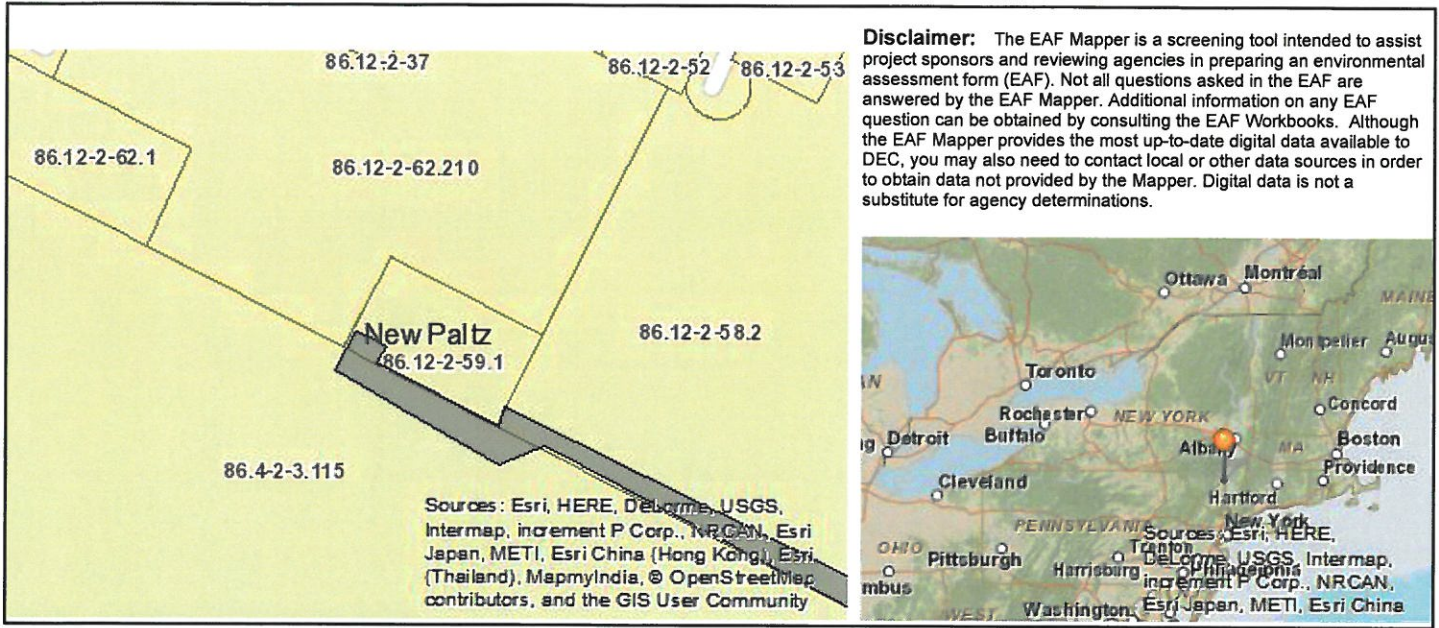

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 - Project and Sponsor Information			
Town of New Paltz			
Name of Action or Project: South Putt Corners Road Water Main Connection			
Project Location (describe, and attach a location map): From Town owned, existing water tower property to South Putt Corners Road; manhole and valve installation at Terwilliger Lane and South Putt			
Brief Description of Proposed Action: A water main will be installed from the existing water tower on a Town owned parcel (SBL 86.012-2-59) to the south east for approximately 990' connecting with the existing water main within the South Putt Corners Road right of way. The water main will travel through easements on two privately owned parcels (SBL 86.0004-2-3.11 and SBL 86.012-2-58.2). A water pumping station will be installed near the Village Water Tank. A manhole with sustaining valve will be installed on the west side of South Putt Corners Road, just north of Terwilliger Lane. The current water main trunk line serving South Putt Corners Road travels over 8,000' from the existing water towers before reaching South Putt Corners Road at the intersection with Main street. This water main connection will provide better pressure and circulation for water users in the area, specifically along South Putt Corners Road, where the existing water main terminates adjacent to the High School. The sustaining valve installation will also improve pressure in the main street business areas along Main Street. Existing Water Districts 1, 2 and 3 will be benefitted as a result.			
Name of Applicant or Sponsor: Town of New Paltz		Telephone: 845-255-0604	
		E-Mail: supervisor@townofnewpaltz.org	
Address: 52 Clearwater Road, PO Box 550			
City/PO: New Paltz		State: NY	Zip Code: 12561
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			NO <input type="checkbox"/>
			YES <input type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other governmental Agency? If Yes, list agency(s) name and permit or approval:			NO <input type="checkbox"/>
			YES <input type="checkbox"/>
3.a. Total acreage of the site of the proposed action?		318.6 acres	
b. Total acreage to be physically disturbed?		0.23 acres	
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor?		(Wtr. twr). 1.1 acres	
4. Check all land uses that occur on, adjoining and near the proposed action.			
<input type="checkbox"/> Urban <input type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input type="checkbox"/> Commercial <input checked="" type="checkbox"/> Residential (suburban)			
<input type="checkbox"/> Forest <input checked="" type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input checked="" type="checkbox"/> Other (specify): <u>Municipal Water Storage Facilities</u>			
<input type="checkbox"/> Parkland			

<p>18. Does the proposed action include construction or other activities that result in the impoundment of water or other liquids (e.g. retention pond, waste lagoon, dam)? If Yes, explain purpose and size: _____ _____ _____</p>	<p>NO</p> <p><input checked="" type="checkbox"/></p>	<p>YES</p> <p><input type="checkbox"/></p>
<p>19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe: _____ _____ _____</p>	<p>NO</p> <p><input checked="" type="checkbox"/></p>	<p>YES</p> <p><input type="checkbox"/></p>
<p>20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe: _____ Brownfield Cleanup Program, Classification A at 141 Route 32 South (west side). Possible pesticide contaminants from previous agricultural use - arsenic, dieldrin and lead exceed restricted residential levels. No threat to proposed project.</p>	<p>NO</p> <p><input type="checkbox"/></p>	<p>YES</p> <p><input checked="" type="checkbox"/></p>
<p>I AFFIRM THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE</p> <p>Applicant/sponsor name: <u>Town of New Paltz Town Board</u> Date: _____</p> <p>Signature: _____</p>		

Part 1 / Question 7 [Critical Environmental Area]	No
Part 1 / Question 12a [National Register of Historic Places]	No
Part 1 / Question 12b [Archeological Sites]	No
Part 1 / Question 13a [Wetlands or Other Regulated Waterbodies]	No
Part 1 / Question 15 [Threatened or Endangered Animal]	No
Part 1 / Question 16 [100 Year Flood Plain]	No
Part 1 / Question 20 [Remediation Site]	Yes
