NOW THEREFORE, the Parties agree that the Grant Funds will be administered in accordance with the following terms and conditions:

I. SUBRECIPIENT PROGRAM

Subrecipient will be responsible for performing the activities detailed in Exhibit A, which may be amended from time to time, and is hereby incorporated by reference ("Subrecipient Program Description"). In order to propose a project or projects under the Subrecipient Program Description, the Subrecipient shall submit to Grantee the project application form provided by Grantee. A separate project application form will be required for each project the Subrecipient proposes to implement under this Agreement. Project applications should address the Subrecipient's housing, infrastructure, and economic recovery and revitalization needs.

Grantee's consideration and approval of project applications is based on current Grantee guidelines (hereinafter "Grantee policy"), HUD guidelines and regulations, and other applicable state and federal laws and regulations.

Design and Environmental Review Phase (Planning Amendment)

- Once a project application form is accepted as complete by Grantee, Grantee will notify the Subrecipient in writing. Acceptance of the application as complete does not commit Grantee to providing any CDBG-DR or other funding to a project.
- Thereafter, this Agreement may be amended to incorporate the proposed scope, budget, and schedule for the design phase of the proposed project, if stipulated by both parties (hereinafter referred to as the "Planning Amendment").

- Any proposed budget set forth in a Planning Amendment will clearly specify proposed funding for administrative costs, program delivery costs, and design or planning costs. Any such amendment will clearly state that the Subrecipient shall not engage in, or in any way commit funding for, through a contract or other mechanism, construction or any other activities that could have an environmental impact or limit the choice of reasonable alternatives to the proposed project. Further, any proposed schedule set forth in a Planning Amendment shall provide, with reasonable specificity, a proposed schedule for the pre-design and design of the proposed project as well as a description and schedule for activities proposed to be conducted in each phase.
- Following acceptance of the Planning Amendment, Grantee shall conduct an environmental review of the proposed project pursuant to 24 CFR Part 58 and the New York State Environmental Quality Review Act (“SEQRA”).
- Upon written notice from Grantee, the Subrecipient may initiate project design which shall be closely coordinated with and informed by the environmental review process, including the assessment of any reasonable alternatives to the proposed project, and avoidance of any potential significant environmental impact. Subrecipient herein agrees that, for purposes of SEQRA, Grantee shall serve as the lead agency for purposes of conducting the environmental review.

Project Approval

- Upon completion of all environmental review requirements, Grantee shall determine whether or not to award funding for the construction or other implementation phase of the proposed project, or an alternative or modified project identified through the environmental review process.
- Following the environmental review performed pursuant to 24 CFR Part 58 and SEQRA, and upon HUD’s issuance of the authority to use grant funds for a proposed project, Grantee may approve the project.

Project Phase (Project Amendment)

- Upon approval of a project, this Agreement may be amended to incorporate the complete scope, budget, and schedule of the approved project, if stipulated by both parties (hereinafter referred to as the “Project Amendment”).
- Any budget set forward in a Project Amendment will clearly specify funding for administrative costs, program delivery costs, design or planning costs, construction costs, as well as any other implementation costs. Further, any schedule set forth in a Project Amendment shall provide, with reasonable specificity, a schedule for the pre-design, design, and construction or other implementation of the approved project as well as a description and schedule for activities proposed to be conducted in each phase.
- Grantee will notify the Subrecipient in writing (“Clearance Letter”) that it may commit funds for construction and other activities necessary for project implementation. The Subrecipient shall not engage in, or in any way commit funding for, through a contract or other mechanism, construction or any other

activities that could have an environmental impact or limit the choice of reasonable alternatives to the proposed project prior to receiving, in writing, a Clearance Letter from Grantee.

- If construction/implementation is authorized by Grantee in the Clearance Letter, Subrecipient must comply with any and all conditions or required mitigation set forth in the environmental review documents, and shall retain an independent environmental monitor to document compliance with such measures, as well as any permit requirements, or other applicable requirements of federal and state environmental laws, including worker health and safety requirements. The independent environmental monitor must be approved in writing by Grantee prior to the commencement of any construction activities. The Subrecipient shall, by contract, ensure that the independent environmental monitor provides monthly reports to Grantee to document compliance with the requirements referenced above for the entirety of the construction phase.

The Subrecipient may not commence any work, including design work, without adhering to the proposed project schedule set forth in the Planning Amendment as submitted to and approved by Grantee and the Subrecipient. Additionally, the Subrecipient and its design contractor shall provide any analysis or information reasonably requested by Grantee to conduct the environmental review for a proposed project. The Subrecipient is required to comply and cooperate with the Grantee in meeting all terms and conditions under this Agreement.

As a reimbursement-based program,¹ tasks and deliverables contained in the Subrecipient Program Description must be conducted in a manner satisfactory to Grantee and in compliance with applicable federal and state requirements, laws, and regulations. Grantee will monitor the performance of Subrecipient against goals and performance standards as stated in the agreed upon Subrecipient Program Description. While Grantee may consider additional costs, as they arise, Subrecipient must be prepared to perform (and document to Grantee) the entire Subrecipient Program Description, even if the funds provided hereunder do not cover 100% of the costs of performance. In the event Grantee's funds do not cover 100% of the agreed upon budget (see Section III), Subrecipient must make a showing of committed supplemental funding. Substandard performance as reasonably determined by Grantee, in its sole discretion, will constitute noncompliance with this Agreement. If Subrecipient does not take action to correct such substandard performance within a reasonable period of time (as determined by Grantee) after being notified by Grantee, Grantee may choose not to reimburse Subrecipient for noncompliant and/or unallowable work and/or take action to suspend or terminate this Agreement or other actions as permitted under applicable law. Nothing in this Agreement shall waive or otherwise limit the actions Grantee may take or the remedies Grantee may seek as a result

¹ By "reimbursement" Grantee means that typically costs must be actually incurred before the Grantee will make payment to the Subrecipient. However, this does not mean that the Subrecipient must have previously paid these costs. Rather, these costs can be passed along to Grantee in the form of an invoice(s) (or similar document) and appropriate supporting information as required by the terms of this Agreement, for payment of such invoice(s), per the payment terms of this Agreement.

of any noncompliance by Subrecipient, including but not limited to suspending or debarring Subrecipient from future State benefits.

II. TERM

The period of performance for all activities (with the exception of those activities required for the close out and final audit) assisted pursuant to this Agreement shall commence as of [REDACTED] and shall end on [REDACTED]. Any funds not properly used by the end of the term, unless approved otherwise in writing by Grantee, promptly shall be remitted, in full and without off-set or deduction, to Grantee.

III. BUDGET

As set forth in Section I of this Agreement, for each project application, Grantee will require and the Parties shall agree upon a detailed budget breakdown. Grantee may also require additional budget information, and Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by Grantee. Any change to budgeted amounts, by budgeted items within each project application, by project application, and/or of the Grant Funds, in any manner, must be approved in writing by Grantee before such changes are allowed and reimbursable.

IV. GRANT FUNDS

It is expressly agreed and understood that the total amount to be paid by Grantee under this Agreement shall not exceed the aggregate amounts set forth in each of the applicable project applications, currently set at \$0 ("Grant Funds"), which may be amended from time-to-time to incorporate project applications and budgets accepted by Grantee.

The amount of Grant Funds that Grantee has agreed to provide Subrecipient under this Agreement is expressly conditioned upon Grantee's receipt of such funds from HUD pursuant to the Act. Grantee reserves the right to reduce the Grant Funds if funding from HUD is not provided at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in the Budget.

In the event Subrecipient is awarded, granted, or provided with additional funds from any other source, which may include, in part or whole, aspects related to this Agreement, Subrecipient shall immediately notify Grantee of such funds, the amount, the source, and the conditions for their use. Subrecipient further agrees to provide any additional information Grantee requests related to such funds. Subrecipient may not use such other funds to conduct construction activities or any other action that would have an environmental impact or limit the choice of reasonable alternatives until issuance of the Clearance Letter.

V. DISBURSEMENT OF GRANT FUNDS

- a) Subrecipient is required to submit a request for Grant Funds in accordance with the provisions of this Agreement, program guidelines, and the program policy and procedures which are established by Grantee. No payment by Grantee of an improper, unauthorized, or unallowable request shall constitute a waiver of Grantee's right, whether before, during, or after making any payment, to: (i) challenge the validity of such payment; (ii) enforce all rights and remedies set forth in this Agreement or provided under applicable law; (iii) require and receive a full repayment or refund of all payments made under this Agreement or (iv) take corrective or remedial administrative action including, without limitation, suspension or termination of Subrecipient's funding under this Agreement.
- b) Subrecipient shall certify in a sworn statement made by a senior official with each request for Grant Funds that to the best of its knowledge based on the information available to Subrecipient at the time and after making due inquiry: (i) all statements and representations previously made regarding this Agreement are correct and complete; and (ii) the funds do not duplicate reimbursement of costs and services from any other source.
- c) The use of Grant Funds is conditioned upon Subrecipient incurring allowable costs permitted under the terms of this Agreement or as otherwise pre-approved, in writing, by Grantee. Subrecipient shall not be reimbursed for any costs until all environmental conditions of 24 CFR Part 58 have been fully satisfied and Grantee has issued the environmental clearance required thereunder, unless the activity is exempt under section 58.34 or falls under a categorical exclusion listed in section 58.35(b).
- d) In the event cognizant State or Federal Government authorities disallow any of the costs incurred by Subrecipient, Subrecipient shall immediately remit any funds received by Subrecipient for the unallowable costs to Grantee. Subrecipient may request that, and Grantee shall reasonably consider Subrecipient's request and decide whether, Grantee challenge the State or Federal determination and pursue other legal recourse to secure these funds; however, Grantee maintains the sole discretion in deciding whether to pursue such funds, may request that Subrecipient pay any costs associated with such effort, and may require that Subrecipient return the questioned funds until a final outcome is reached.

VI. CITIZEN PARTICIPATION REQUIREMENTS

To ensure compliance with Section 508 of the HCD Act, units of general local government ("UGLGs") applying for or receiving CDBG-DR funds from the State must provide citizens with adequate opportunity to participate in the planning, implementation, and assessment of the CDBG program. Any such UGLG must provide adequate

information to citizens, obtain views and proposals of citizens, and provide opportunity to comment on the UGLG's previous community development performance.

If Subrecipient is a UGLG, it shall have a written and adopted Citizen Participation Plan that complies with the requirements set forth in the State of New York Action Plan for Community Development Block Grant Program Disaster Recovery, dated April 2013, as amended ("Action Plan"). The Action Plan and amendments thereto can be found at: <http://stormrecovery.ny.gov/action-plans-and-amendments>. A template for a CDBG-DR compliant Citizen Participation Plan is provided at Exhibit F to this Agreement.

Subrecipient further agrees to utilize Grant Funds available under this Agreement to supplement rather than supplant funds otherwise available.

B. Independent Contractor

Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the Parties. Subrecipient shall at all times remain an “independent contractor” with respect to the efforts to be performed under this Agreement. Grantee shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers’ Compensation Insurance, as Subrecipient is an independent entity.

Agreement. This clause shall survive indefinitely the termination of this Agreement for any reason.

D. Workers' Compensation

Subrecipient shall provide Workers' Compensation Insurance coverage for all of its employees involved in the performance of this Agreement unless granted an exemption by the State.

E. Insurance & Bonding

Subrecipient shall carry sufficient insurance coverage and bonding from insurers licensed to conduct business in New York State to protect all contract assets from loss due to any cause, including but not limited to, theft, fraud, and/or physical damage, and as a minimum shall purchase a blanket fidelity bond covering all employees in an amount equal to cash advances from Grantee. Grantee shall be named as an additional insured on all such insurance and shall meet all other insurance requirements as Grantee may impose from time to time. In addition, all insurance carriers and bonding companies shall meet minimum size and financial stability/financial rating requirements as may be imposed by Grantee from time to time. Certificates of insurance shall be provided to Grantee and full and complete copies of the policies and/or bonds shall be provided to Grantee upon its request for the same. Subrecipient shall cause its contractors and subcontractors to carry insurance coverage in the amounts specified in Exhibit E.

Notwithstanding the above, for construction or facility improvement performed by Subrecipient, Subrecipient shall, at a minimum, comply with the bonding requirements at 24 CFR 85.36 or 84.48, as applicable.

F. Grantee Recognition

Unless otherwise directed by Grantee, Subrecipient shall ensure recognition of the role of HUD and Grantee in providing funding, services, and efforts through this Agreement. G. Amendments

This Agreement may be amended provided that such amendments make specific reference to this Agreement, comply with programmatic policies, procedures, and guidelines, are executed in writing and signed by a duly authorized representative of each Party, and approved by Grantee's governing body. Such amendments shall not invalidate this Agreement, nor relieve or release the Parties from their obligations under this Agreement. Grantee may, in its sole discretion, amend this Agreement to conform with Federal, state, or local governmental guidelines, policies, and available funding amounts, or for other reasons. If such amendments result in a change in the Grant Funds or the Subrecipient Program Description, such modifications will be incorporated in a written amendment signed by the Parties.

H. Suspension or Termination

Grantee may suspend or terminate this Agreement if Subrecipient materially fails to comply with any terms of this Agreement, which include (but are not limited to) the following:

This Agreement may also be terminated for convenience by Grantee or Subrecipient, in whole or in part, by setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if in the case of a partial termination Grantee determines that the remaining portion of the award will not accomplish the purpose for which the award was made, Grantee may terminate the award in its entirety.

2. Retention

Subrecipient shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement for a period of five (5) years. 3. Records

Subrecipient shall maintain all records required by the Federal regulations specified in (1) 24 CFR Part 85, Subpart C or 24 CFR Part 84, Subpart C, as applicable; (2) 24 CFR 570.506; and (3) the applicable HUD Notices. Only when Grantee's procurement record retention standards are more stringent than Federal regulation shall Subrecipient maintain inventory records of all non-expendable

personal property as defined by such policy as may be procured with funds provided herein.

4. Travel

Travel costs are not allowed unless authorized by Grantee. In the event that Grantee authorizes travel, Subrecipient shall comply with HUD's Travel Regulations (Travel Handbook 2300.2). Subrecipient shall obtain prior written approval from Grantee for any travel to out of service area assignments.

F. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 24 CFR Part 85 or Part 84, as applicable, and 24 CFR Part 570 Subpart J, which include but are not limited to the following:

1. Subrecipient shall transfer to Grantee any CDBG-DR funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
2. Real property under Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of this Agreement or such longer period of time as Grantee deems appropriate. If Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, Subrecipient shall pay Grantee an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute Program Income to Grantee. Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the five-year period or such longer period of time as Grantee deems appropriate.
3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be Program Income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by Subrecipient for activities under this Agreement shall be (a) transferred to Grantee; or (b) retained after compensating Grantee an amount equal to the current fair market value of the equipment less the percentage of non-CDBG-DR funds used to acquire the equipment.

G. Use of Grant Funds to Make Loans

Grant Funds under this Agreement cannot be used to make loans.

X. RELOCATION, REAL PROPERTY ACQUISITION, AND ONE-FOR-ONE HOUSING REPLACEMENT

To the extent applicable to its performance under this Agreement, and as modified by the HUD Notices, Subrecipient agrees to comply with (a) the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), and implementing regulations at 49 CFR Part 24 and 24 CFR 570.606(b); (b) the requirements of 24 CFR 570.606(c) governing the Residential Anti-displacement and Relocation Assistance Plan under section 104(d) of the HCD Act; and (c) the requirements in 24 CFR 570.606(d) governing optional relocation policies. Subrecipient shall provide relocation assistance to displaced persons as defined by 24 CFR 570.606(b)(2) that are displaced as a direct result of acquisition, rehabilitation, demolition or conversion for a CDBG-DR assisted project. Subrecipient also agrees to comply with applicable Grantee ordinances, resolutions, and policies concerning the displacement of persons from their residences.

XI. PERSONNEL AND PARTICIPANT CONDITIONS

2. Nondiscrimination

Subrecipient agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCD Act are still applicable.

3. Land Covenants

This Agreement is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and 24 CFR 570.601 and 570.602. In regard to the sale, lease, or other transfer of land acquired, cleared or improved with assistance provided under this Agreement, Subrecipient shall cause or require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the

use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that Grantee and the United States are beneficiaries of, and entitled to enforce, such covenants. To the extent any such sale, lease or other transfer of land shall occur, Subrecipient, in undertaking its obligation to carry out the Program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.

4. Section 504

Subrecipient agrees to comply with all Federal regulations issued pursuant to Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), which prohibits discrimination against individuals with disabilities or handicaps in any Federally assisted program. Grantee shall provide Subrecipient with certain guidelines for compliance with that portion of the regulations in force during the term of this Agreement.

B. Affirmative Action

1. Approved Plan

Subrecipient agrees that it shall be committed to carry out, pursuant to Grantee's specifications, an Affirmative Action Program in keeping with the principles as provided in Executive Order 11246 of September 24, 1965. Grantee shall provide certain Affirmative Action guidelines to Subrecipient to assist in the formulation of such program. Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the award of funds.

2. Minority- and Women-Owned Businesses (M/WBE)

a. Federal Requirements

Subrecipient shall comply with the small and minority firms, women's business enterprise, and labor surplus area requirements as set forth at 24 CFR 85.36 or 84.44, as applicable.

Subrecipient will use its best efforts to afford small businesses, minority business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of this Agreement. As used in this Agreement, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are African-Americans, Spanish-speaking, Spanish surnamed, or Spanish-heritage Americans, Asian-Americans, and American Indians. Subrecipient may rely on written representations by businesses

regarding their status as minority and female business enterprises in lieu of an independent investigation.

b. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A (“Article 15-A”), HTFC recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and/or women-owned business enterprises (“M/WBEs”) in the performance of HTFC-funded contracts. HTFC values affording M/WBEs the opportunity to participate in the performance of the contract(s) to be awarded for this project. Accordingly, Subrecipient certifies that it has made and will continue to make good-faith efforts to promote and assist the participation of certified M/WBEs through the use of contractors and their subcontractors at all tiers on this project, in an amount equal to ten percent (10%) minority-owned business enterprises (“MBE”) and ten percent (10%) women-owned business enterprises (“WBE”) of the total dollar value of this project. These participation goals are applicable to this Agreement as set forth in Exhibit E, Appendix III and will be monitored by HTFC.

Subrecipient shall require that its contractors and their subcontractors at all tiers comply with the aforementioned M/WBE requirements as set forth in the Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, attached hereto at Exhibit E, Appendix III. In accordance with those requirements, Subrecipient shall require all covered contractors and their subcontractors at all tiers to submit the required M/WBE documentation, including utilization plans and quarterly reports, to Subrecipient. Subrecipient shall provide quarterly reporting of M/WBE data in a form acceptable to HTFC, with copies of contractor and subcontractor M/WBE documentation as supporting documentation. Notwithstanding the provision of such reports and supporting documentation, Subrecipient, and Subrecipient’s contractors and their subcontractors at all tiers, shall maintain copies of all reports and supporting documents as set forth in this Agreement.

3. Equal Employment Opportunity (“EEO”) and Non-Discrimination

a. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

Subrecipient will, in all solicitations or advertisements for employees placed by or on behalf of Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

b. Non-Discrimination

Subrecipient shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. Subrecipient shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

c. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A (“Article 15-A”), HTFC recognizes its obligation under the law to promote opportunities for the employment of minority group members and women in the performance of HTFC-funded contracts.

Subrecipient shall require that its contractors and their subcontractors at all tiers comply with the EEO requirements found in the Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, attached hereto at Exhibit E, Appendix III. In accordance with those requirements, Subrecipient shall require all covered contractors and their subcontractors at all tiers to submit the required documentation, including an EEO policy statement, staffing plan, and quarterly reports to Subrecipient. Subrecipient shall provide quarterly reporting of EEO data in a form acceptable to HTFC, with copies of contractor and subcontractor EEO documentation as supporting documentation. Notwithstanding the provision of such reports and supporting documentation, Subrecipient, and Subrecipient’s contractors and their subcontractors at all tiers, shall maintain copies of all reports and supporting documents as set forth in this Agreement.

4. Access to Records

Subrecipient shall furnish and cause each of its own sub-subrecipients, contractors, and subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by Grantee, HUD or its agent, the Comptroller General of the United States, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations, and provisions stated herein.

5. Contract Provisions

Subrecipient will include the provisions of Paragraphs XI.A., Civil Rights, and B., Affirmative Action, in every subsequent sub-subrecipient agreement, contract, subcontract, or purchase order, specifically or by reference, so that such

provisions will be binding upon each of its own sub-subrecipients, contractors, or subcontractors.

C. Employment Restrictions

1. Prohibited Activity

Subrecipient is prohibited from using funds provided herein or personnel employed in the administration of the program for: political activities; inherently religious activities; lobbying; political patronage; and nepotism activities.

2. Labor Standards

Subrecipient agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.), and all other applicable Federal, state, and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and its implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. Subrecipient shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to Grantee for review upon request. Subrecipient agrees that, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation, or repair work financed in whole or in part with assistance provided under this Agreement, shall comply with Federal requirements adopted by Grantee pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve Subrecipient of its obligation, if any, to require payment of the higher wage. Subrecipient shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

3. “Section 3” Clause

a. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be a condition of the Federal financial assistance provided under this Agreement and binding upon Grantee, Subrecipient, and any of

Subrecipient's sub-subrecipients, contractors, and subcontractors. Failure to fulfill these requirements shall subject Grantee, Subrecipient, and any of Subrecipient's sub-subrecipients, contractors, and subcontractors, as well as their successors and assigns, to those sanctions specified by the agreement through which Federal assistance is provided. Subrecipient certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

Subrecipient further agrees to comply with these "Section 3" requirements and to include the following language in all subsequent sub-subrecipient agreements, contracts, and subcontracts executed under this Agreement:

"The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located."

Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

Subrecipient certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

b. Notifications

Subrecipient agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker's representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

c. Contracts

Subrecipient will include this Section 3 clause in subsequent sub-subrecipient agreements, contracts, and subcontracts, and will take appropriate action, pursuant to any such agreement, upon a finding that a sub-subrecipient, contractor, or subcontractor is in violation of regulations issued by HUD. Subrecipient will not subgrant or contract with any entity where it has notice or knowledge that the entity has been found in violation of regulations under 24 CFR Part 135, and will not let any sub-subrecipient agreement or contract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

d. Reporting

Irrespective of any applicable Federal reporting requirements, Subrecipient shall submit quarterly reports along with any supporting documentation, in a form acceptable to Grantee, of its Section 3 compliance efforts to Grantee. Notwithstanding the provision of such reports and supporting documentation, Subrecipient shall maintain copies of all reports and supporting documents as set forth in this Agreement. A summary of this and certain other reporting obligations is provided at paragraph IX.C.5.

D. Conduct

1. Hatch Act

Subrecipient agrees that no funds provided, nor personnel employed under this Agreement, shall be in any way or to any extent engaged in the conduct of political activities in violation of Chapter 15 of Title V of the U.S.C.

2. Conflict of Interest

Subrecipient agrees to abide by the provisions of 24 CFR 85.36 or 84.42-43, as applicable, and 24 CFR 570.611, which include (but are not limited to) the following:

- a. It is presumed that Subrecipient is subject to state and local ethic laws and regulations related to the conduct of its officers, employees or agents engaged in the award and administration of this Agreement.

b. In the event Subrecipient is not, Subrecipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of this Agreement. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

c. No covered persons who exercise or have exercised any functions or responsibilities with respect to CDBG-DR assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the CDBG-DR assisted activity, or with respect to the proceeds from the CDBG-DR assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a “covered person” includes any person who is an employee, agent, consultant, officer, or elected or appointed official of Grantee, Subrecipient, or any designated public agency.

3. Lobbying

Subrecipient hereby certifies that:

a. To the best of its knowledge and belief, no Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this

Agreement, Subrecipient shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

c. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

d. It has and will comply with Section 139-j and 139-k of the State Finance Law.

e. It will require that the language of paragraphs (a) through (e) of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

4. Copyright

If this Agreement results in any copyrightable material or inventions, Grantee and/or HUD reserves the right to royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use and to authorize others to use, the work or materials for governmental purposes. This clause shall survive indefinitely the termination of this Agreement for any reason.

5. Religious Activities

Subrecipient agrees that funds provided under this Agreement will not be utilized for inherently religious activities prohibited by 24 CFR 570.200(j), such as worship, religious instruction, or proselytization.

XII. ENVIRONMENTAL CONDITIONS

A. Environmental Laws

B. Flood Disaster Protection

In accordance with the requirements of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001), Subrecipient shall assure that for activities located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained as a condition of financial assistance for acquisition or construction purposes (including rehabilitation).

Such regulations pertain to all CDBG-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require
