

**Supporting The Passage Of The Safe Staffing for Quality Care Act**

Referred to: The Public Health and Social Services Committee (Chairman Lopez and Legislators Allen, Belfiglio, Litts and Provenzano)

Legislator Jeanette Provenzano offers the following:

WHEREAS, Assembly Bill 01548 and Senate Bill 00782 have been introduced in the 2015-2016 Legislative Session to amend Public Health Law to require all acute care facilities and nursing homes to meet standards for appropriate staffing ratios of nursing and unlicensed direct care staff; and

WHEREAS, the proposed amendment would establish minimum nurse to patient ratios based on peer-reviewed academic research and evidence based recommendations; and

WHEREAS, the proposed amendment would require public disclosure of facility staffing requirements; and

WHEREAS, a Residential Health Care Facility Council would be established that would assist in the development and maintenance of required minimum staff hours of care per resident per day; and

WHEREAS, the Safe Staffing for Quality Care Act was first introduced in the 2009-2010 New York State Legislative session; and

WHEREAS, the Journal of American Medical Association (JAMA) published research that estimated five additional deaths per one thousand patients occurred in hospitals that routinely staff with a 1:8 nurse to patient ratio compared to those staffing with a 1:4 nurse to patient ratio; and

WHEREAS, the JAMA research also found the odds of patient death increased by 7% for each additional patient the nurse must care for at one time; and

WHEREAS, the Federal Agency for Healthcare Research & Quality (AHRQ) found hospitals with lower nurse staffing levels had higher rates of pneumonia, shock, cardiac arrests, urinary tract infections and upper gastrointestinal bleeds which all led to higher costs and mortality from hospital acquired complications; now, therefore, be it
