

WE THE UNDERSIGNED ARE CYCLISTS OR FRIENDS AND/OR RELATIVES OF CYCLISTS. TO MAKE THE ROAD SAFER FOR CYCLISTS WE REQUEST OUR STATE AND LOCAL GOVERNMENTS AND AGENCIES TO IMPLEMENT THE FOLLOWING MEASURES:

1.To our local representatives in the State Legislature, we request you overcome the inertia in passing the "Three Foot Rule" requiring motorists to give cyclists a three-foot passing margin, as is law now in over two dozen states.

2.To Mike Hein, Ulster County Executive, we thank you for measures already taken and request that you accelerate the work to construct the bike lane on Route 299 from Butterville Road to Route 44/55.

3. To our DOT (Department of Transportation), please cooperate with traffic calming measures requested by the biking community, including reducing speed limits and providing clear, cautionary signage.
