NOW THEREFORE, the Parties agree that the Grant Funds will be administered in accordance with the following terms and conditions:

I. SUBRECIPIENT PROGRAM

Subrecipient will be responsible for performing the activities detailed in Exhibit A, which may be amended from time to time, and is hereby incorporated by reference ("Subrecipient Program Description"). In order to propose a project or projects under the Subrecipient Program Description, the Subrecipient shall submit to Grantee the project application form provided by Grantee. A separate project application form will be required for each project the Subrecipient proposes to implement under this Agreement. Project applications should address the Subrecipient's housing, infrastructure, and economic recovery and revitalization needs.

Grantee's consideration and approval of project applications is based on current Grantee guidelines (hereinafter "Grantee policy"), HUD guidelines and regulations, and other applicable state and federal laws and regulations.

Design and Environmental Review Phase (Planning Amendment)

- Once a project application form is accepted as complete by Grantee, Grantee will notify the Subrecipient in writing. Acceptance of the application as complete does not commit Grantee to providing any CDBG-DR or other funding to a project.

- Thereafter, this Agreement may be amended to incorporate the proposed scope, budget, and schedule for the design phase of the proposed project, if stipulated by both parties (hereinafter referred to as the “Planning Amendment”).
- Any proposed budget set forth in a Planning Amendment will clearly specify proposed funding for administrative costs, program delivery costs, and design or planning costs. Any such amendment will clearly state that the Subrecipient shall not engage in, or in any way commit funding for, through a contract or other mechanism, construction or any other activities that could have an environmental impact or limit the choice of reasonable alternatives to the proposed project. Further, any proposed schedule set forth in a Planning Amendment shall provide, with reasonable specificity, a proposed schedule for the pre-design and design of the proposed project as well as a description and schedule for activities proposed to be conducted in each phase.
- Following acceptance of the Planning Amendment, Grantee shall conduct an environmental review of the proposed project pursuant to 24 CFR Part 58 and the New York State Environmental Quality Review Act (“SEQRA”).
- Upon written notice from Grantee, the Subrecipient may initiate project design which shall be closely coordinated with and informed by the environmental review process, including the assessment of any reasonable alternatives to the proposed project, and avoidance of any potential significant environmental impact. Subrecipient herein agrees that, for purposes of SEQRA, Grantee shall serve as the lead agency for purposes of conducting the environmental review.

Project Approval

- Upon completion of all environmental review requirements, Grantee shall determine whether or not to award funding for the construction or other implementation phase of the proposed project, or an alternative or modified project identified through the environmental review process.
- Following the environmental review performed pursuant to 24 CFR Part 58 and SEQRA, and upon HUD’s issuance of the authority to use grant funds for a proposed project, Grantee may approve the project.

Project Phase (Project Amendment)

- Upon approval of a project, this Agreement may be amended to incorporate the complete scope, budget, and schedule of the approved project, if stipulated by both parties (hereinafter referred to as the “Project Amendment”).
- Any budget set forward in a Project Amendment will clearly specify funding for administrative costs, program delivery costs, design or planning costs, construction costs, as well as any other implementation costs. Further, any schedule set forth in a Project Amendment shall provide, with reasonable specificity, a schedule for the pre-design, design, and construction or other implementation of the approved project as well as a description and schedule for activities proposed to be conducted in each phase.

- Grantee will notify the Subrecipient in writing (“Clearance Letter”) that Subrecipient may commit funds for construction and other activities necessary for project implementation. The Subrecipient shall not engage in, or in any way commit funding for, through a contract or other mechanism, construction or any other activities that could have an environmental impact or limit the choice of reasonable alternatives to the proposed project prior to receiving, in writing, a Clearance Letter from Grantee.
- If construction/implementation is authorized by Grantee in the Clearance Letter, Subrecipient must comply with any and all conditions or required mitigation set forth in the environmental review documents, and shall retain an independent environmental monitor to document compliance with such measures, as well as any permit requirements, or other applicable requirements of federal and state environmental laws, including worker health and safety requirements. The independent environmental monitor must be approved in writing by Grantee prior to the commencement of any construction activities. The Subrecipient shall, by contract, ensure that the independent environmental monitor provides monthly reports to Grantee to document compliance with the requirements referenced above for the entirety of the construction phase.

The Subrecipient may not commence any work, including design work, without adhering to the proposed project schedule set forth in the Planning Amendment as submitted to and approved by Grantee and the Subrecipient. Additionally, the Subrecipient and its design contractor shall provide any analysis or information reasonably requested by Grantee to conduct the environmental review for a proposed project. The Subrecipient is required to comply and cooperate with the Grantee in meeting all terms and conditions under this Agreement.

As a reimbursement-based program,¹ tasks and deliverables contained in the Subrecipient Program Description must be conducted in a manner satisfactory to Grantee and in compliance with applicable federal and state requirements, laws, and regulations. Grantee will monitor the performance of Subrecipient against goals and performance standards as stated in the agreed upon Subrecipient Program Description. While Grantee may consider additional costs, as they arise, Subrecipient must be prepared to perform (and document to Grantee) the entire Subrecipient Program Description, even if the funds provided hereunder do not cover 100% of the costs of performance. In the event Grantee’s funds do not cover 100% of the agreed upon budget (see Section III), Subrecipient must make a showing of committed supplemental funding. Substandard performance as reasonably determined by Grantee, in its sole discretion, will constitute noncompliance with this Agreement. If Subrecipient does not take action to correct such substandard performance within a reasonable period of time (as determined by Grantee) after being notified by Grantee, Grantee may choose not to reimburse Subrecipient for noncompliant and/or

¹ By “reimbursement” Grantee means that typically costs must be actually incurred before the Grantee will make payment to the Subrecipient. However, this does not mean that the Subrecipient must have previously paid these costs. Rather, these costs can be passed along to Grantee in the form of an invoice(s) (or similar document) and appropriate supporting information as required by the terms of this Agreement, for payment of such invoice(s), per the payment terms of this Agreement.

unallowable work and/or take action to suspend or terminate this Agreement or other actions as permitted under applicable law. Nothing in this Agreement shall waive or otherwise limit the actions Grantee may take or the remedies Grantee may seek as a result of any noncompliance by Subrecipient, including but not limited to suspending or debaring Subrecipient from future State benefits.

II. TERM

The period of performance for all activities (with the exception of those activities required for the close out and final audit) assisted pursuant to this Agreement shall commence as of _____ and shall end on September 30, 2015. Any funds not properly used by the end of the term, unless approved otherwise in writing by Grantee, promptly shall be remitted, in full and without off-set or deduction, to Grantee.

III. BUDGET

As set forth in Section I of this Agreement, for each project application, Grantee will require and the Parties shall agree upon a detailed budget breakdown. Grantee may also require additional budget information, and Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by Grantee. Any change to budgeted amounts, must be approved in writing by Grantee before such changes are allowed and reimbursable.

IV. GRANT FUNDS

It is expressly agreed and understood that the total amount to be paid by Grantee under this Agreement shall not exceed the aggregate amounts set forth in each of the applicable project applications, currently set at \$0 ("Grant Funds"), which may be amended from time-to-time to incorporate project applications and budgets accepted by Grantee.

The amount of Grant Funds that Grantee has agreed to provide Subrecipient under this Agreement is expressly conditioned upon Grantee's receipt of such funds from HUD pursuant to the Act. Grantee reserves the right to reduce the Grant Funds if funding from HUD is not provided at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in the Budget.

In the event Subrecipient is awarded, granted, or provided with additional funds from any other source, which may include, in part or whole, aspects related to this Agreement, Subrecipient shall immediately notify Grantee of such funds, the amount, the source, and the conditions for their use. Subrecipient further agrees to provide any additional information Grantee requests related to such funds. Subrecipient may not use such other funds to conduct construction activities or any other action that would have an environmental impact or limit the choice of reasonable alternatives until issuance of the Clearance Letter.

V. DISBURSEMENT OF GRANT FUNDS

- a) Subrecipient is required to submit a request for Grant Funds in accordance with the provisions of this Agreement, program guidelines, and the program policy and procedures which are established by Grantee. No payment by Grantee of an improper, unauthorized, or unallowable request shall constitute a waiver of Grantee's right, whether before, during, or after making any payment, to: (i) challenge the validity of such payment; (ii) enforce all rights and remedies set forth in this Agreement or provided under applicable law; (iii) require and receive a full repayment or refund of all payments made under this Agreement or (iv) take corrective or remedial administrative action including, without limitation, suspension or termination of Subrecipient's funding under this Agreement.
- b) Subrecipient shall certify in a sworn statement made by a senior official with each request for Grant Funds that to the best of its knowledge based on the information available to Subrecipient at the time and after making due inquiry: (i) all statements and representations previously made regarding this Agreement are correct and complete; and (ii) the funds do not duplicate reimbursement of costs and services from any other source.
- c) The use of Grant Funds is conditioned upon Subrecipient incurring allowable costs permitted under the terms of this Agreement or as otherwise pre-approved, in writing, by Grantee. Subrecipient shall not be reimbursed for any costs until all environmental conditions of 24 CFR Part 58 have been fully satisfied and Grantee has issued the environmental clearance required thereunder, unless the activity is exempt under section 58.34 or falls under a categorical exclusion listed in section 58.35(b).
- d) In the event cognizant State or Federal Government authorities disallow any of the costs incurred by Subrecipient, Subrecipient shall immediately remit any funds received by Subrecipient for the unallowable costs to Grantee. Subrecipient may request that, and Grantee shall reasonably consider Subrecipient's request and decide whether, Grantee challenge the State or Federal determination and pursue other legal recourse to secure these funds; however, Grantee maintains the sole discretion in deciding whether to pursue such funds, may request that Subrecipient pay any costs associated with such effort, and may require that Subrecipient return the questioned funds until a final outcome is reached.

VI. CITIZEN PARTICIPATION REQUIREMENTS

To ensure compliance with Section 508 of the HCD Act, units of general local government ("UGLGs") applying for or receiving CDBG-DR funds from the State must provide citizens with adequate opportunity to participate in the planning, implementation, and assessment of the CDBG program. Any such UGLG must provide adequate

information to citizens, obtain views and proposals of citizens, and provide opportunity to comment on the UGLG's previous community development performance.

If Subrecipient is a UGLG, it shall have a written and adopted Citizen Participation Plan that complies with the requirements set forth in the State of New York Action Plan for Community Development Block Grant Program Disaster Recovery, dated April 2013, as amended ("Action Plan"). Subrecipient shall at all times remain an "independent contractor" with respect to the efforts to be performed under this Agreement. Grantee shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as Subrecipient is an independent entity.

Grantee may, in its sole discretion, amend this Agreement to conform with Federal, state, or local governmental guidelines, policies, and available funding amounts, or for other reasons. If such amendments result in a change in the Grant Funds or the Subrecipient Program Description, such modifications will be incorporated in a written amendment signed by the Parties.

3. Records

Subrecipient shall maintain all records required by the Federal regulations specified in (1) 24 CFR Part 85, Subpart C or 24 CFR Part 84, Subpart C, as applicable; (2) 24 CFR 570.506; and (3) the applicable HUD Notices. Only when Grantee's procurement record retention standards are more stringent than Federal regulation shall Subrecipient maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein.

4. Travel

Travel costs are not allowed unless authorized by Grantee. In the event that Grantee authorizes travel, Subrecipient shall comply with HUD's Travel Regulations (Travel Handbook 2300.2). Subrecipient shall obtain prior written approval from Grantee for any travel to out of service area assignments.

F. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 24 CFR Part 85 or Part 84, as applicable, and 24 CFR Part 570 Subpart J, which include but are not limited to the following:

1. Subrecipient shall transfer to Grantee any CDBG-DR funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
2. Real property under Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of this Agreement or such longer period of time as Grantee deems appropriate. If Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, Subrecipient shall pay Grantee an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute Program Income to Grantee. Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the five-year period or such longer period of time as Grantee deems appropriate.
3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be Program Income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by Subrecipient for activities under this Agreement shall be (a) transferred to Grantee; or (b) retained after compensating Grantee an amount equal to the current fair market value of the equipment less the percentage of non-CDBG-DR funds used to acquire the equipment.

G. Use of Grant Funds to Make Loans

Grant Funds under this Agreement cannot be used to make loans.

X. RELOCATION, REAL PROPERTY ACQUISITION, AND ONE-FOR-ONE HOUSING REPLACEMENT

To the extent applicable to its performance under this Agreement, and as modified by the HUD Notices, Subrecipient agrees to comply with (a) the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), and implementing regulations at 49 CFR Part 24 and 24 CFR 570.606(b); (b) the requirements of 24 CFR 570.606(c) governing the Residential Anti-displacement and Relocation Assistance Plan under section 104(d) of the HCD Act; and (c) the requirements in 24 CFR 570.606(d) governing optional relocation policies. Subrecipient shall provide relocation assistance to displaced persons as defined by 24 CFR 570.606(b)(2) that are displaced as a direct result of acquisition, rehabilitation, demolition or conversion for a CDBG-DR assisted project. Subrecipient also agrees to comply with applicable Grantee ordinances, resolutions, and policies concerning the displacement of persons from their residences.

XI. PERSONNEL AND PARTICIPANT CONDITIONS

1. Compliance

Subrecipient agrees to comply with the New York State Human Rights Law and with Title VI of the Civil Rights Act of 1964, as amended, Title VIII of the Civil Rights Act of 1968 as amended, Section 104(b) and Section 109 of Title I of the Housing and Community Development Act of 1974 as amended, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, Executive Order 11063, and Executive Order 11246 as amended by Executive Orders 11375, 11478, 12107, and 12086.

2. Nondiscrimination

Subrecipient agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCD Act are still applicable.

3. Land Covenants

This Agreement is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and 24 CFR 570.601 and 570.602. In regard to the sale, lease, or other transfer of land acquired, cleared or improved with assistance provided under this Agreement, Subrecipient shall cause or require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the

use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that Grantee and the United States are beneficiaries of, and entitled to enforce, such covenants. To the extent any such sale, lease or other transfer of land shall occur, Subrecipient, in undertaking its obligation to carry out the Program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.

4. Section 504

Subrecipient agrees to comply with all Federal regulations issued pursuant to Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), which prohibits discrimination against individuals with disabilities or handicaps in any Federally assisted program. Grantee shall provide Subrecipient with certain guidelines for compliance with that portion of the regulations in force during the term of this Agreement.

B. Affirmative Action

1. Approved Plan

Subrecipient agrees that it shall be committed to carry out, pursuant to Grantee's specifications, an Affirmative Action Program in keeping with the principles as provided in Executive Order 11246 of September 24, 1965. Grantee shall provide certain Affirmative Action guidelines to Subrecipient to assist in the formulation of such program. Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the award of funds.

2. Minority- and Women-Owned Businesses (M/WBE)

a. Federal Requirements

Subrecipient shall comply with the small and minority firms, women's business enterprise, and labor surplus area requirements as set forth at 24 CFR 85.36 or 84.44, as applicable.

Subrecipient will use its best efforts to afford small businesses, minority business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of this Agreement.

As used in this Agreement, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are African-Americans, Spanish-speaking, Spanish surnamed, or Spanish-heritage Americans, Asian-Americans, and American Indians. Subrecipient may rely on written representations by businesses

regarding their status as minority and female business enterprises in lieu of an independent investigation.

b. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A (“Article 15-A”), HTFC recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and/or women-owned business enterprises (“M/WBEs”) in the performance of HTFC-funded contracts. HTFC values affording M/WBEs the opportunity to participate in the performance of the contract(s) to be awarded for this project. Accordingly, Subrecipient certifies that it has made and will continue to make good-faith efforts to promote and assist the participation of certified M/WBEs through the use of contractors and their subcontractors at all tiers on this project, in an amount equal to ten percent (10%) minority-owned business enterprises (“MBE”) and ten percent (10%) women-owned business enterprises (“WBE”) of the total dollar value of this project. These participation goals are applicable to this Agreement as set forth in Exhibit E, Appendix III and will be monitored by HTFC.

Subrecipient shall require that its contractors and their subcontractors at all tiers comply with the aforementioned M/WBE requirements as set forth in the Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, attached hereto at Exhibit E, Appendix III. In accordance with those requirements, Subrecipient shall require all covered contractors and their subcontractors at all tiers to submit the required M/WBE documentation, including utilization plans and quarterly reports, to Subrecipient. Subrecipient shall provide quarterly reporting of M/WBE data in a form acceptable to HTFC, with copies of contractor and subcontractor M/WBE documentation as supporting documentation. Notwithstanding the provision of such reports and supporting documentation, Subrecipient, and Subrecipient’s contractors and their subcontractors at all tiers, shall maintain copies of all reports and supporting documents as set forth in this Agreement.

3. Equal Employment Opportunity (“EEO”) and Non-Discrimination

a. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

Subrecipient will, in all solicitations or advertisements for employees placed by or on behalf of Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

b. Non-Discrimination

Subrecipient shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. Subrecipient shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

c. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A (“Article 15-A”), HTFC recognizes its obligation under the law to promote opportunities for the employment of minority group members and women in the performance of HTFC-funded contracts.

Subrecipient shall require that its contractors and their subcontractors at all tiers comply with the EEO requirements found in the Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, attached hereto at Exhibit E, Appendix III. In accordance with those requirements, Subrecipient shall require all covered contractors and their subcontractors at all tiers to submit the required documentation, including an EEO policy statement, staffing plan, and quarterly reports to Subrecipient. Subrecipient shall provide quarterly reporting of EEO data in a form acceptable to HTFC, with copies of contractor and subcontractor EEO documentation as supporting documentation. Notwithstanding the provision of such reports and supporting documentation, Subrecipient, and Subrecipient’s contractors and their subcontractors at all tiers, shall maintain copies of all reports and supporting documents as set forth in this Agreement.

4. Access to Records

Subrecipient shall furnish and cause each of its own sub-subrecipients, contractors, and subcontractors to furnish all information and reports required hereunder in an electronic format or other format as agreed to by Grantee and will permit access to its books, records and accounts by Grantee, HUD or its agent, the Comptroller General of the United States, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations, and provisions stated herein.

5. Contract Provisions

Subrecipient will include the provisions of Paragraphs XI.A., Civil Rights, and B., Affirmative Action, in every subsequent sub-subrecipient agreement, contract, subcontract, or purchase order, specifically or by reference, so that such provisions will be binding upon each of its own sub-subrecipients, contractors, or subcontractors.

C. Employment Restrictions

1. Prohibited Activity

Subrecipient is prohibited from using funds provided herein or personnel employed in the administration of the program for: political activities; inherently religious activities; lobbying; political patronage; and nepotism activities.

2. Labor Standards

Subrecipient agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.), and all other applicable Federal, state, and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and its implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. Subrecipient shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to Grantee for review upon request. Subrecipient agrees that, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation, or repair work financed in whole or in part with assistance provided under this Agreement, shall comply with Federal requirements adopted by Grantee pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve Subrecipient of its obligation, if any, to require payment of the higher wage. Subrecipient shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

3. “Section 3” Clause

a. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be a condition of the Federal financial assistance provided under this Agreement and binding upon Grantee, Subrecipient, and any of Subrecipient’s sub-subrecipients, contractors, and subcontractors. Failure to fulfill these requirements shall subject Grantee, Subrecipient, and any of Subrecipient’s sub-subrecipients, contractors, and subcontractors, as well as their successors and assigns, to those sanctions specified by the agreement through which Federal assistance is provided. Subrecipient certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

Subrecipient further agrees to comply with these “Section 3” requirements and to include the following language in all subsequent sub-subrecipient agreements, contracts, and subcontracts executed under this Agreement:

“The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located.”

Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to

low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

Subrecipient certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

b. Notifications

Subrecipient agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker's representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

c. Contracts

Subrecipient will include this Section 3 clause in subsequent sub-subrecipient agreements, contracts, and subcontracts, and will take appropriate action, pursuant to any such agreement, upon a finding that a sub-subrecipient, contractor, or subcontractor is in violation of regulations issued by HUD. Subrecipient will not subgrant or contract with any entity where it has notice or knowledge that the entity has been found in violation of regulations under 24 CFR Part 135, and will not let any sub-subrecipient agreement or contract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

d. Reporting

Irrespective of any applicable Federal reporting requirements, Subrecipient shall submit quarterly reports along with any supporting documentation, in a form acceptable to Grantee, of its Section 3 compliance efforts to Grantee. Notwithstanding the provision of such reports and supporting documentation, Subrecipient shall maintain copies of all reports and supporting documents as set forth in this Agreement. A summary of this and certain other reporting obligations is provided at paragraph IX.C.5.

D. Conduct

1. Hatch Act

Subrecipient agrees that no funds provided, nor personnel employed under this Agreement, shall be in any way or to any extent engaged in the conduct of political activities in violation of Chapter 15 of Title V of the U.S.C.

2. Conflict of Interest

Subrecipient agrees to abide by the provisions of 24 CFR 85.36 or 84.42-43, as applicable, and 24 CFR 570.611, which include (but are not limited to) the following:

a. It is presumed that Subrecipient is subject to state and local ethic laws and regulations related to the conduct of its officers, employees or agents engaged in the award and administration of this Agreement.

b. In the event Subrecipient is not, Subrecipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of this Agreement. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

c. No covered persons who exercise or have exercised any functions or responsibilities with respect to CDBG-DR assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the CDBG-DR assisted activity, or with respect to the proceeds from the CDBG-DR assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a “covered person” includes any person who is an employee, agent, consultant, officer, or elected or appointed official of Grantee, Subrecipient, or any designated public agency.

3. Lobbying

Subrecipient hereby certifies that:

a. To the best of its knowledge and belief, no Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing

or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement, Subrecipient shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

c. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

d. It has and will comply with Section 139-j and 139-k of the State Finance Law.

e. It will require that the language of paragraphs (a) through (e) of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

4. Copyright

If this Agreement results in any copyrightable material or inventions, Grantee and/or HUD reserves the right to royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use and to authorize others to use, the work or materials for governmental purposes. This clause shall survive indefinitely the termination of this Agreement for any reason.

5. Religious Activities

Subrecipient agrees that funds provided under this Agreement will not be utilized for inherently religious activities prohibited by 24 CFR 570.200(j), such as worship, religious instruction, or proselytization.

XII. ENVIRONMENTAL CONDITIONS

A. Environmental Laws

Environmental Laws include, without limitation, any action which causes a review or reassessment of the Grantee Program.

B. Flood Disaster Protection

In accordance with the requirements of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001), Subrecipient shall assure that for activities located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained as a condition of financial assistance for acquisition or construction purposes (including rehabilitation).

C. Lead-Based Paint

Subrecipient agrees that any construction or rehabilitation of structures containing residential units with assistance provided under this Agreement shall be subject to

HUD Lead-Based Paint Regulations at 24 CFR 570.608, and 24 CFR Part 35, Subpart B. Such regulations pertain to all CDBG-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and/or abatement may be conducted.

E. Implementation of Mitigation Measures

Subrecipient agrees to comply with and timely implement any and all mitigation measures and other requirements set forth in any environmental reviews, environmental assessments, or environmental impact statements performed or to be performed in connection with, or records of decision or any similar documents, issued or to be issued in connection with, the CDBG-DR Program as may be applicable to this Agreement. It is Subrecipient's responsibility to ensure that it has complete copies of all such documents.

XIII. ASSIGNMENT

XIV. SEVERABILITY

If any provision of this Agreement is held invalid, the remainder of the Agreement shall not be affected thereby and all other parts of this Agreement shall nevertheless be in full force and effect.

XV. SECTION HEADINGS AND SUBHEADINGS

XVI. WAIVER

Grantee's failure to act with respect to a breach by Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of Grantee to exercise or enforce any right or provision shall not constitute a waiver of such right or provision.

XVII. CHOICE OF LAW

The Parties consent to and agree that any and all disputes arising out of or relating in any way to the Agreement shall be subject to the exclusive jurisdiction of the state courts or Federal District Courts of New York. The Parties consent to the jurisdiction of such courts, agree to accept service of process by mail, and waive any jurisdictional or venue defenses otherwise available.

Housing Trust Fund Corporation (“HTFC” or “Grantee”), acting through the Governor’s Office of Storm Recovery (“GOSR”) has entered into a Subrecipient Agreement with the Subrecipient for a grant of Community Development Block Grant Disaster Recovery (“CDBG-DR”) funds for purposes of the design and construction of the Project (the “Subrecipient Agreement”). This grant represents a portion of CDBG-DR funds received or to be received under the Federal CDBG-DR program administered by the U.S. Department of Housing and Urban Development (“HUD”) to fund necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure, and housing and economic revitalization in the most impacted and distressed areas resulting from a major disaster declared due to Hurricane Sandy and other eligible events (subject to the Federal statutes and regulations governing CDBG grants, as modified by exceptions and waivers previously or hereafter granted by HUD).

Subrecipient is a municipal government or other government agency, which will use its own form contracts and other project agreements for the Project. However, as a condition to receiving CDBG-DR funds for the Project, Subrecipient is required to include these Supplementary Conditions in each contract which it enters into for the applicable project and to require all contractors to include these Supplementary Conditions in every subsequent subcontract and lower-tiered subcontracts so that such provisions are binding upon each contractor, subcontractor and lower-tiered subcontractor. 2. Nondiscrimination

Contractor agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCD Act are still applicable.

3. Land Covenants

The Subrecipient Agreement is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and 24 CFR 570.601 and 570.602. In regard to the sale, lease, or other transfer of land acquired, cleared or improved with assistance provided under the Subrecipient Agreement, Contractor shall cause or shall require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that Grantee and the United States are beneficiaries of, and entitled to enforce, such covenants. To the extent that any such sale, lease or other transfer of land shall occur, Contractor, in undertaking its obligation to carry out the Program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.

4. Section 504

As used in these Required Contract Terms, the terms "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed, or Spanish-heritage Americans, Asian-Americans, and American Indians. Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

b. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A ("Article 15-A"), HTFC recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and/or women-owned business enterprises ("M/WBEs") in the performance of certain HTFC-funded subrecipient agreements, and all HTFC-funded contracts and subcontracts. HTFC values affording M/WBEs the opportunity to participate in the performance of these subrecipient agreements, contracts and subcontracts to be awarded under this project. Accordingly, Contractor certifies that it has made and will continue to make good-faith efforts to promote and assist the participation of certified M/WBEs through the use of non-governmental sub-

subrecipients, contractors and their subcontractors at all tiers on this project, in an amount equal to ten percent (10%) minority-owned business enterprises (“MBE”) and ten percent (10%) women-owned business enterprises (“WBE”) of the total dollar value of this project. These participation goals are applicable to the contract as set forth in Part 4 of these Supplementary Conditions and will be monitored by HTFC.

Contractor and its subcontractors at all tiers shall comply with the aforementioned M/WBE requirements as set forth in the Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, attached hereto as Part 4 of these Supplementary Conditions. In accordance with those requirements, Contractor shall submit and shall require all covered subcontractors at all tiers to submit the required M/WBE documentation, including utilization plans and quarterly reports, to Subrecipient.

Contractor shall provide quarterly reporting of M/WBE data in a form acceptable to Subrecipient, which may require Contractor to consolidate all reports received from subcontractors and lower-tiered subcontractors into a single report or several reports as reasonably requested by Subrecipient with copies of subcontractor and lower-tiered subcontractor M/WBE documentation as supporting documentation. Notwithstanding the provisions of such reports and supporting documentation, Contractor and its subcontractors at all tiers shall maintain copies of all reports and supporting documents as set forth in these Required Terms.

c. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A (“Article 15-A”), HTFC recognizes its obligation under the law to promote opportunities for the employment of minority group members and women in the performance of HTFC-funded contracts.

Contractors and its subcontractors at all tiers shall comply with the equal employment opportunity (“EEO”) requirements found in the Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust

Fund Corporation, attached hereto as Part 4 of these Supplementary Conditions. In accordance with those requirements, Contractor shall submit and shall require all covered subcontractors at all tiers to submit the required documentation, including an EEO policy statement, staffing plan, and quarterly reports to Subrecipient. Contractor shall provide quarterly reporting of EEO data in a form acceptable to Subrecipient, which may require Contractor to consolidate all reports received from subcontractors and lower-tiered subcontractors into a single report or several reports as reasonably requested by Subrecipient, with copies of subcontractor and lower-tiered subcontractor EEO documentation as supporting documentation. Notwithstanding the provision of such reports and supporting documentation, Contractor and its subcontractors at all tiers shall maintain copies of all reports and supporting documents as set forth in these Required Terms.

4. Retention

Contractor shall retain all records pertinent to these Required Terms for a period of five (5) years. The retention period begins on the date of the submission of Grantee's annual performance and evaluation report to HUD in which the activities assisted under the Subrecipient Agreement are reported on for the final time. Notwithstanding the above, if there is litigation, claims, audits, negotiations, or other actions that involve any of the records cited and that have started before the expiration of the five-year period, then all such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five-year period, whichever occurs later.

5. Access to Records

Contractor shall furnish and cause each of its subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by Subrecipient, Grantee, HUD or its agent, the Comptroller General of the United States, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations, and provisions stated herein.

D. Employment Restrictions

1. Labor Standards

Contractor agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.), and all other applicable Federal, state, and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of the contract. Contractor agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and its implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. Contractor shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to Subrecipient and Grantee for review upon request. If Contractor is engaged under a contract in excess of \$2,000.00 for construction, renovation, or repair work financed in whole or in part with assistance provided under the Subrecipient Agreement, Contractor agrees, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, to comply and to cause all

subcontractors engaged under such contracts to comply with Federal requirements adopted by Grantee pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve Contractor of its obligation, if any, to require payment of the higher wage. Contractor shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

2. “Section 3” Clause

a. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of the contract, shall be a condition of the Federal financial assistance provided under the Subrecipient Agreement and binding upon Grantee, Subrecipient, Contractor, and any of Contractor’s subcontractors and lower-tiered subcontractors. Failure to fulfill these requirements shall subject Grantee, Subrecipient, Contractor, and any of Contractor’s subcontractors and lower-tiered subcontractors, as well as their successors and assigns, to those sanctions specified by the agreement through which Federal assistance is provided. Contractor certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

Contractor further agrees to comply with these “Section 3” requirements and to include the following language in all subsequent contracts and subcontracts executed under the contract:

“The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible, opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located.”

Contractor further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible,

priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

Contractor certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

b. Notifications

Contractor agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker's representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

c. Contracts

Contractor will take appropriate action, pursuant to any such agreement, upon a finding that a subcontractor or lower-tiered subcontractor is in violation of regulations issued by HUD. Contractor will not subcontract with any entity where it has notice or knowledge that the entity has been found in violation of regulations under 24 CFR Part 135, and will not let any subcontract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

d. Reporting

Irrespective of any applicable Federal reporting requirements, Contractor shall submit quarterly reports along with any supporting documentation, in a form acceptable to Subrecipient, of its Section 3 compliance efforts to Subrecipient. Contractor may be required to consolidate all reports received from subcontractors and lower-tiered subcontractors into a single report or several reports as reasonably requested by Subrecipient. Notwithstanding the provision of such reports and supporting documentation, Contractor shall maintain copies of all reports and supporting documents as set forth in these Required Terms.

The Contractor shall accept any reasonable conflict mitigation strategy employed by the State, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

16. SUBCONTRACTING

When subcontracting, the Contractor shall solicit for and contract with such subcontractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include but are not limited to:

- (vii) Any arbitrary action in the procurement process.

The Contractor represents to the State that all work shall be performed by personnel experienced in the appropriate and applicable profession and areas of expertise, taking into account the nature of the work to be performed under this contract.

18. INDEMNIFICATION

All laborers and mechanics employed by contractors or subcontractors, including employees of other governments, on construction work assisted under this contract, and subject to the provisions of the federal acts and regulations listed in this paragraph, shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act.

22. TERMINATION FOR CAUSE (Applicable to contracts exceeding \$10,000)

If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his obligations under this contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Contractor under this contract shall, at the option of the State, become the State’s property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the Contractor shall not be relieved of liability to the State for damages sustained by the State by virtue of any breach of the contract by the Contractor, and the State may withhold any payments to the Contractor for the purpose of set-off until such time as the exact amount of damages due the State from the Contractor is determined.

23. TERMINATION FOR CONVENIENCE (Applicable to contracts exceeding \$10,000)

The State may terminate this contract at any time by giving at least ten (10) days' notice in writing to the Contractor. If the contract is terminated by the State as provided herein, the Contractor will be paid for the time provided and expenses incurred up to the termination date.

The Contractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the Contractor may have the notice read to a visually disabled individual, or may lower the posted notice so that it might be read by a person in a wheelchair).
 - 5. The Contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of section 503 of the Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment individuals with physical or mental disabilities.
 - 6. The Contractor will include the provisions of this clause in every subcontract or purchase order in excess of \$10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Deputy Assistant Secretary for Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

During the performance of this contract, the Contractor agrees as follows:

- A. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
- B. The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by Contracting Officer setting forth the provisions of this non-discrimination clause. - D. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers representative of the contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

- G. In the event of the Contractor's non-compliance with the non-discrimination clause of this contract or with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- H. Contractor shall incorporate the provisions of A through G above in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor so that such provisions shall be binding on such subcontractor. The Contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this certification is a violation of the equal opportunity clause of this contract.

As used in this certification, the term “segregated facilities” means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, color, religion, or national origin because of habit, local custom, or any other reason.

The Contractor further agrees that (except where it has obtained for specific time periods) it will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the equal opportunity clause; that it will retain such certifications in its files; and that it will forward the preceding notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).

These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for certified minority and women-owned business enterprises (“MWBEs”). Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of Contract, leading to the withholding of funds or such other actions, liquidated damages pursuant to section VII of this Part or enforcement proceedings as allowed by the Contract.

II. Contract Goals

- A. For purposes of this procurement, the Corporation hereby establishes an overall goal of 20% for Minority and Women-Owned Business Enterprises (“MWBE”) participation, 10% for Minority-Owned Business Enterprises (“MBE”) participation and 10% for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs).

In accordance with section 316-a of Article 15-A and 5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and

intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of Contract and the Contractor shall be liable to the Corporation for liquidated or other appropriate damages, as set forth herein.

III. Equal Employment Opportunity (EEO)

- A. Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated by the Division of Minority and Women's Business Development of the Department of Economic Development (the "Division"). If any of these terms or provisions conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.

- B. Contractor agrees to use such MWBE Utilization Plan for the performance of MWBEs on this Contract pursuant to the prescribed MWBE goals set forth in section III-A of this Part.
- C. Contractor further agrees that a failure to submit and/or use such MWBE Utilization Plan shall constitute a material breach of the terms of this Contract. Upon the occurrence of such a material breach, the Corporation shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

V. Waivers

- A. For Waiver Requests Contractor should use Form PROC-3 – Waiver Request.

- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - 1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 - 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "Contract") agree to be bound by the following clauses which are hereby made a part of the Contract (the word "Contractor" herein refers to any party other than the State of New York ("State"), whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. ACCOUNTING RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance of work done for the Agency or Agencies under this Contract (hereinafter, collectively, "the Records") consistent with generally accepted bookkeeping practices. The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The Agency or Agencies involved in this Contract and any person or entity authorized to conduct an examination shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The Agency or Agencies shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform the Agencies' Senior Vice President and Counsel, in writing, that said records should not be disclosed; (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the Agency's or Agencies' right to discovery in any pending or future litigation.

2. CONFLICTS OF INTEREST. The Contractor shall not accept any engagement in conflict with the Agency's or Agencies' interest in the subject matter of this Contract.

The Servicer shall not offer to any employee, member or director of the Agency or Agencies' any gift, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form, under circumstances in which it could reasonably be inferred that the gift was intended to influence said employee, member or director, or could reasonably be expected to influence said employee, member or director, in the performance of the official duty of said employee, member or director or was intended as a reward for any official action on the part of said employee, member or director.

3. SUBCONSULTANTS. The Contractor shall not employ, contract with, or use the services of any consultant for the work of this Contract (except such third parties which may be used by the Contractor in

the normal course of business, such as couriers, imaging services, etc.) without obtaining the prior written approval of the Agency or Agencies.

4. NON-ASSIGNABILITY. This Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or disposed of without the previous consent in writing of the Agency or Agencies and any attempts to assign the Contract without the Agency or Agencies' written consent are null and void. However, this Contract shall be binding upon and inure to the benefit of the Agency or Agencies and its successors and assigns.

5. INDEMNITY. The Contractor shall indemnify and hold the Agency or Agencies and their employees, officers, Members and Directors (collectively, the "Indemnities") harmless from and against all claims, demands, liability, loss, cost, damage or expense, including attorney's fees, which may be incurred by the Indemnities because of negligence or malfeasance on the part of the Contractor arising out of this Contract.

6. NON-DISCRIMINATION. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. If this a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason or race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Contract. Contractor is subject to fines of \$50 per person per day for any violation of Section 239 as well as possible termination of this Contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

If directed to do so by the State Commissioner of Human Rights ("Commissioner"), the Contractor will send to each labor union to which the Contractor is bound a notice provided by the Commissioner advising of this provision. The Servicer will keep posted in conspicuous places notices of the Commissioner regarding laws against discrimination. The Contractor will state in all advertisements for employees that all qualified applicants will be afforded equal opportunities without discrimination because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status.

If the Contractor has fifteen or more employees, it is an unlawful employment practice for the Contractor to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to the individual's compensation, terms, conditions, or privileges of employment, or to limit, segregate, or classify employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect an individual's status as an employee, because of such individual's race, color, religion, sex, or national origin, or because an individual opposed any practice made unlawful by Title VII of the Civil Rights Act of 1964, as amended, or because he or she made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under that Title; and that it shall be an unlawful employment practice to print or publish or cause to be printed or published any notice or advertisement relating to employment indicating any preference, limitation, specification, or discrimination on the basis of race, color, religion, sex, or national origin.

If the Contractor has fifteen or more employees, the Contractor: (1) will make and keep such records relevant to the determinations of whether unlawful employment practices have been or are being

committed; (2) will preserve such records for such periods as the Equal Employment Opportunity Commission (“EEOC”) shall prescribe by regulation; (3) will make such reports therefrom as the EEOC shall prescribe by regulation or order; and (4) must post and keep posted in conspicuous places upon its premises where notices to employees and applicants for employment are customarily posted a notice prepared or approved by the EEOC setting forth excerpts from, or summaries of, pertinent provisions of Title VII of the Civil Rights Act of 1964, as amended, and information pertinent to the filing of a complaint.

To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will comply with all non-discriminatory employment practices, will furnish all information deemed necessary by the Commissioner, and will permit the Commissioner access to its records to ascertain compliance. The Contractor will bind all subcontractors hired to perform services in connection with this Contract to the requirements of this section, take such action for enforcement as the Commissioner may direct, and notify the Commissioner if such action results in litigation. This Contract may be terminated by the Agency or Agencies upon the Commissioner’s finding of non-compliance with this section, and the Contractor may be declared ineligible for future contracts with an agency of the State or a public authority until the Contractor satisfies the Commissioner of compliance.

7. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this Contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby the Agency or Agencies, is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the Agency or Agencies, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor’s equal employment opportunity policy that:

(a) the Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on Agency or Agencies’ contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the Agency or Agencies, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of this Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of ‘a’, ‘b’, and ‘c’ above, in every subcontract. Section 312 does not apply to: (i) work, goods or services unrelated to this Contract; or (ii) employment outside New York State. The Agency or Agencies shall consider compliance by a Contractor or subcontractor with the

requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The Agency or Agencies shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the Agency or Agencies shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

(d) If the procurement of the goods or services provided herein is subject to minority and women-owned participation requirements pursuant to Article 15-A of the Executive Law, the Contractor shall be liable to the Agency or Agencies for liquidated or other appropriate damages and shall provide for other appropriate remedies on account of such breach in the event it is found that the Contractor willfully and intentionally failed to comply with the minority and women-owned participation requirements set-forth in Article 15-A of the Executive Law.

This report is to be completed by grantees, developers, sponsors, builders, agencies, and/or project owners for reporting contract and subcontract activities of \$10,000 or more under the following programs: Community Development Block Grants (entitlement and small cities); Urban Development Action Grants; Housing Development Grants; Multifamily Insured and Noninsured; Public and Indian Housing Authorities; and contracts entered into by recipients of CDBG rehabilitation assistance.

Contracts/subcontracts of less than \$10,000 need be reported only if such contracts represent a significant portion of your total contracting activity. Include only contracts executed during this reporting period.

This form has been modified to capture Section 3 contract data in columns 7g and 7i. Section 3 requires that the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing. Recipients using this form to report Section 3 contract data must also use Part I of form HUD-60002 to report employment and training opportunities data. Form HUD-2516 is to be

completed for public and Indian housing and most community development programs. Form HUD-60002 is to be completed by all other HUD programs including State administered community development programs covered under Section 3.

A Section 3 contractor/subcontractor is a business concern that provides economic opportunities to low- and very low-income residents of the metropolitan area (or nonmetropolitan county), including a business concern that is 51 percent or more owned by low- or very low-income residents; employs a substantial number of low- or very low-income residents; or provides subcontracting or business development opportunities to businesses owned by low- or very low-income residents. Low- and very low-income residents include participants in Youthbuild programs established under Subtitle D of Title IV of the Cranston-Gonzalez National Affordable Housing Act.

The terms "low-income persons" and "very low-income persons" have the same meanings given the terms in section 3(b)(2) of the United States Housing Act of 1937. Low-income persons mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary

may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families. Very low-income persons means low-income families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

The data is entered into a data base and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992.
