Re: Study #: 814-4305 / File #: 51.00-SDV
Special Dimension Vehicle Access Request
Ultra Seal Corp.
Town of New Paltz, Ulster County
T14-081

Dear Ms. Zimet:

The attached letter was received from Mr. Terence Murphy requesting the use of Special Dimension Vehicles on the following local road:

- Brookside Road between Route 32 and the New Paltz / Lloyd Town line (South Ohioville Road- local road portion).

These special dimension vehicles are essentially all truck combinations exceeding 65 feet in overall length utilizing a 48 or 53 foot long trailer, two 28. foot trailers or certain specialized equipment such as a 75 foot stinger-steered auto carrier.

Federal Highway Administration regulations (23 CFR 658) mandate that the request be approved unless a quantifiable safety hazard is identified, (i.e. inadequate geometrics such as lane widths less than ten feet or a history of truck accidents). We are prohibited from considering factors such as congestion, public dislike for large trucks, or the accident history involving vehicles other than large trucks using the highway.

Since segments of the requested truck access route effect a local roadway in your municipality, your review of this access request and its safety implications is desired as prescribed by Section 1627 of the Vehicle and Traffic Law. Due to Federal time limitations, your recommendation (either positive or negative) should be received by this office within 30 days of the date of this letter. If we do not hear from you, we will assume that there are no local safety concerns.

If you have any questions relative to the matter, please contact me at (845) 437-3396.

Very truly yours,

Gayle Sudder
Transportation Analyst

Poughkeepsie, NY 12603

Dear Ms. Sudder,

I am writing to request that the following roads be designated access highways for a special dimension trailer (a 53" trailer).

The roads are:

1. Orchard Drive, CR 23, in Plattekill, NY (From 5 Orchard Drive, the location of our building, to Route 32).
2. Route 32, from Orchard Drive to South Putt Corners Road in New Paltz, NY
3. South Putt Corners Road from Route 32 to Route 299 in New Paltz, NY
4. Brookside Road in New Paltz to South Ohioville Road in New Paltz, NY. (Brookside connects Route 32 to South Ohioville Road).
5. South Ohioville Road from Brookside Road to Route 299.
6. Route 44/55 from Route 32 to CR 22 (South Street) in Clintondale, NY.

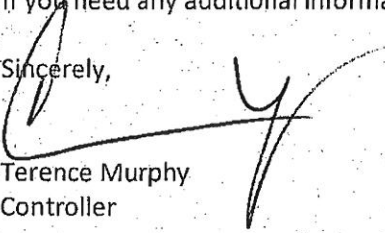

Ultra Seal Corporation, and our sister company Ultra Tab Laboratories, Inc. are contract manufacturers packagers of over the counter pharmaceutical tablets, powders and ointments. We now have 6 locations in the area, 311 Vineyard Ave., Highland, 50 Toc Drive, Highland, 261 Upper North Road, Highland, 139 South Street, Highland, NY, 521 Main Street, New Paltz and our new location at, 5 Orchard Drive, Modena (Plattekill), NY. Our truck travels between each location transporting bulk tablets, ointments, and powders, corrugated boxes, display boxes, and packaging film. The routes identified above provide routes between each and all of our buildings. Essentially, our truck starts and ends its day at 521 Main Street in New Paltz which is Route 299. To get to our new location we use Route 299 and then make turns off of 299 onto each of the roads identified above.

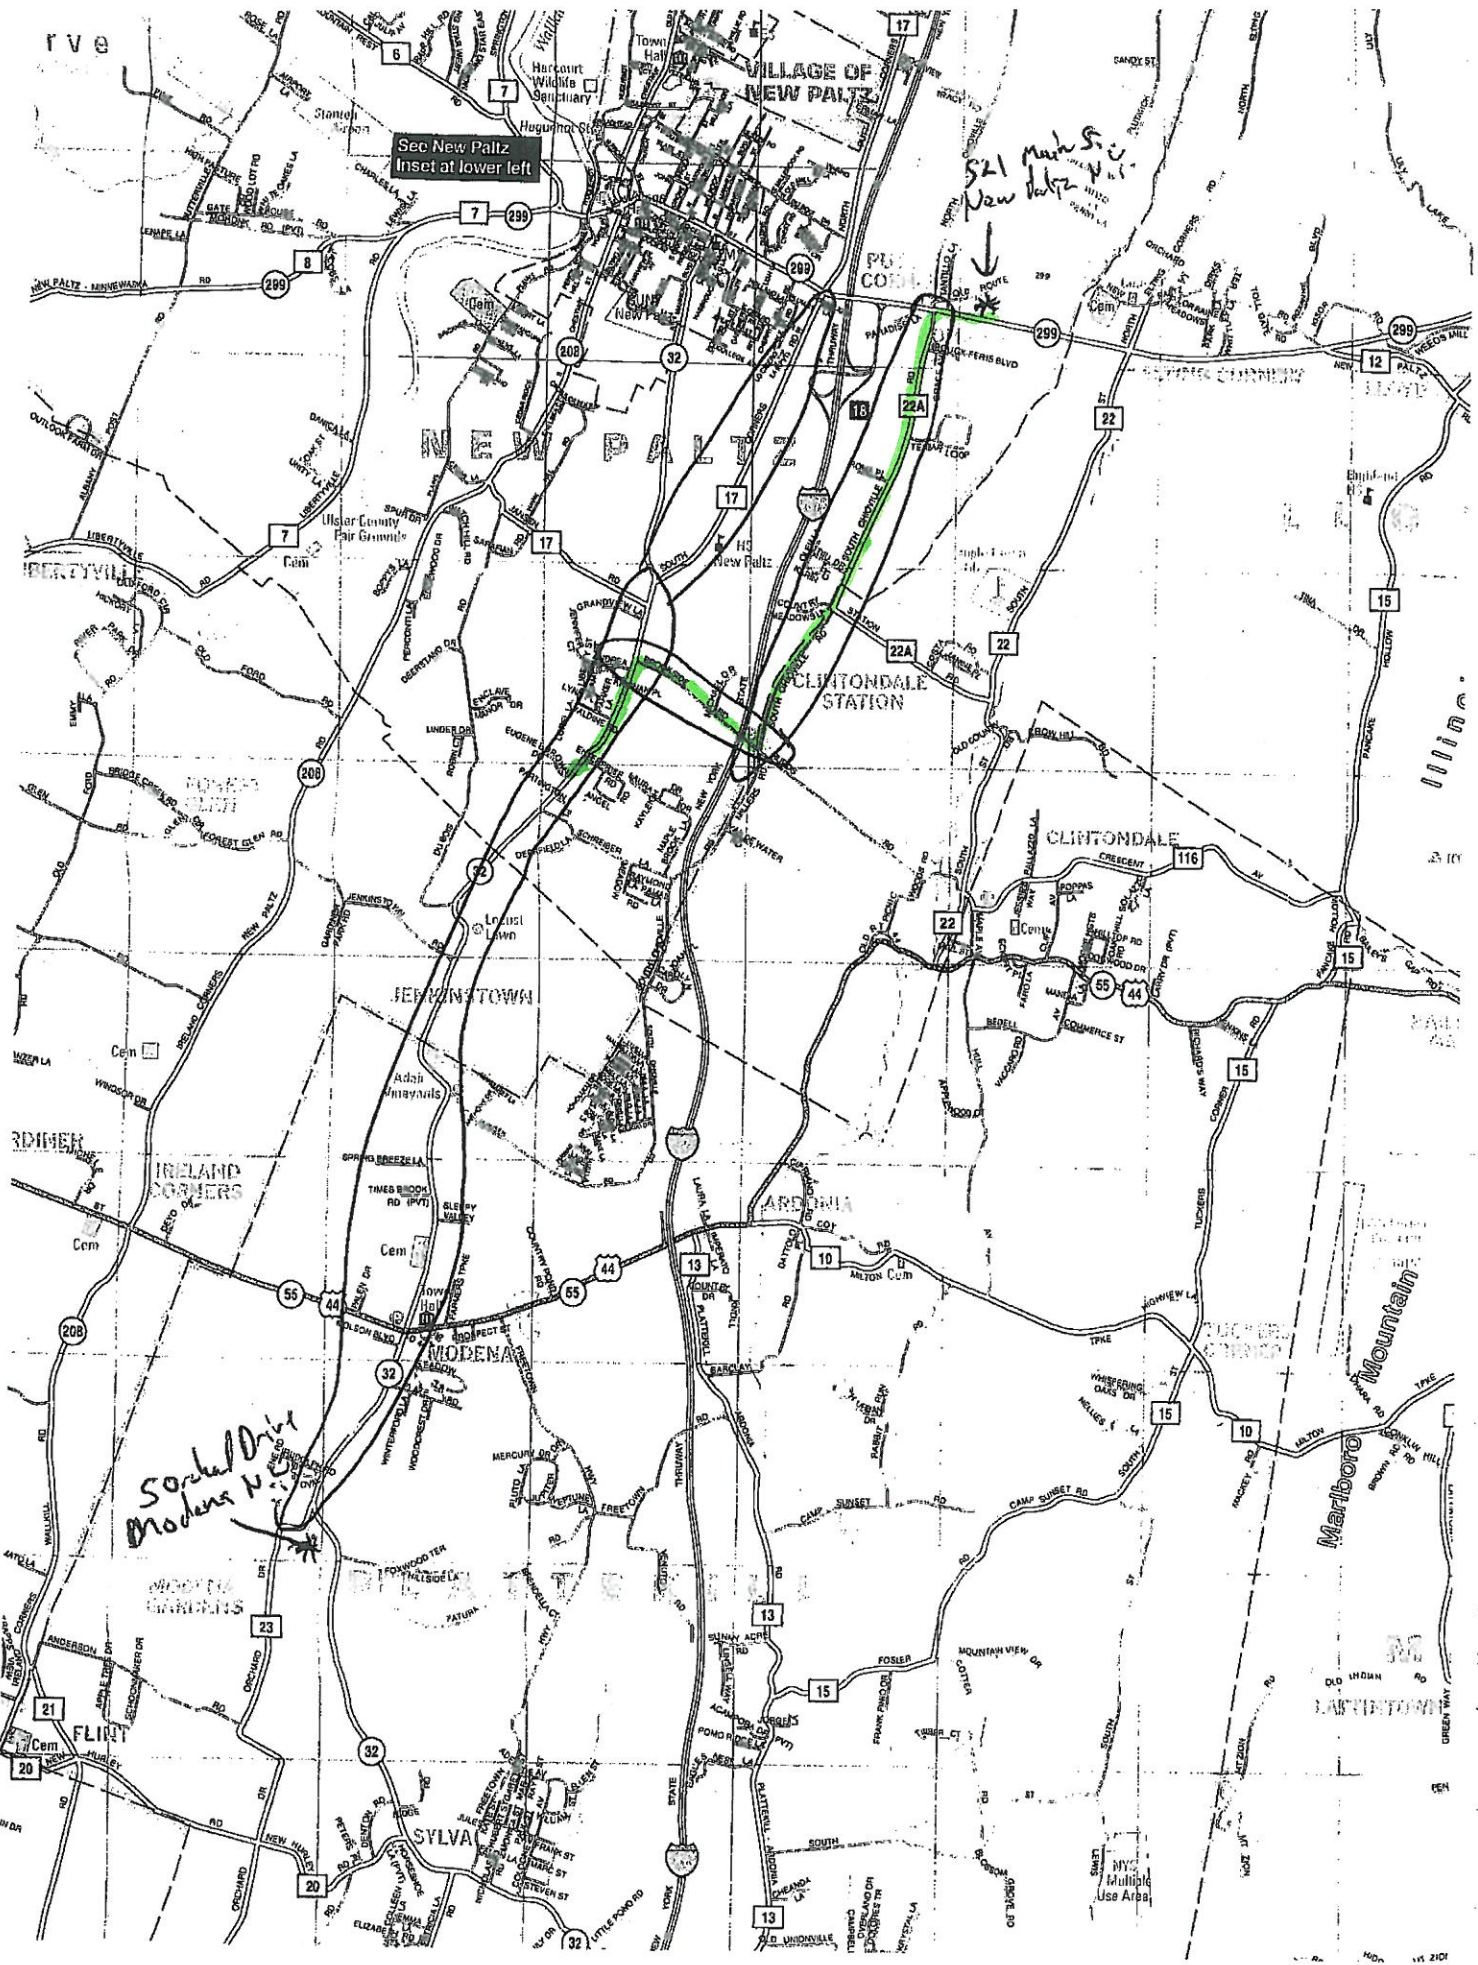

Attached please find a map of the area with each road identified.

Attached please find a copy of the roads which were approved last year.

If you need any additional information please do not to hesitate to contact me at 845-255-2490, ext. 109.

Sincerely,

Terence Murphy

Re: Study #: 813-4024 / File #: 51.00-SDV
Special Dimension Vehicle Access Request
Towns of Lloyd, Marlborough and Plattekill
Ulster County
T13-103

Dear Mr. Murphy:

This letter is in regards to your request of May 22, 2013, for various routes in Ulster County to be approved as access highways for use by Special Dimension Vehicles.

Please be advised that on August 19, 2013 it will be legal to drive Special Dimension Vehicles on the following segments of roadway.

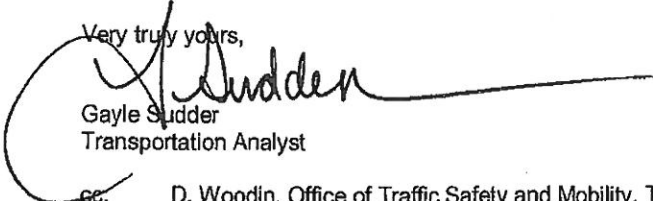

- Toc Drive between Route 44/55 and the northerly egress driveway of your facility located at 50 Toc Drive – Town of Lloyd
- Upper North Road between CR 15 and the shared driveway of # 251 and #261 for your facility located at 261 Upper North Road – Town of Lloyd
- CR 15 (North Riverside Road) between Route 299 and Route 9W – Town of Lloyd
- CR 11 (Chapel Hill Road) between Route 44/55 and Route 9W – Town of Lloyd
- CR 22 (South Street) between Route 44/55 and Route 299 – Town of Lloyd
- Route 44/55 between CR 22 (South Street) and Toc Drive – Towns of Lloyd, Plattekill and Marlborough.

Please note that we are unable to designate Woodside Place as an access highway due to the availability of on street parking and the width of the road. We are prohibited from designating incomplete routes; as a result, we are also unable to designate Route 44/55 between Toc Drive and Vineyard Avenue, and Vineyard Avenue between Route 44/55 and Woodside Place.

Law enforcement officials and local municipalities are being notified of this change by copy of this letter.

If you have any questions relative to this matter, please contact me at (845) 437-3396.

Very truly yours,

Gayle Sudder
Transportation Analyst
