Dear Susan,

As you are aware, Spider Barbour, the Town's wetland inspector is currently unable to perform wetland inspections. Unaware of his condition, two applications, with fee paid were made for 46 Dubois Road. Due to the time lapse from the date of application to the time that Dave and I are able to perform the wetland inspection, the property went under contract to a different individual.

Mr. Pesevento has called our office requesting a refund, and I believe rightly so. It was of no fault of his that I could not get an inspection completed in a timely fashion.

I respectfully request that the Town Board approve a refund to Mr. Pesevento in the amount of \$65.00.

If you have any questions, please feel free to call.

Sincerely,

Stacy Delarede

Building Inspector
