Subject: Ruby Restaurant water Bill

Caution! This message was sent from outside your organization.

Dear New Paltz Town Board,

My name is Ingrid Carvajal and I am the owner of Ruby Restaurant & Bar. The reason for this letter is because a few months ago the person who managed my alcohol license deceived me and therefore I had to stop selling alcohol and that affected restaurant sales greatly. For a while my bills piled up and it was impossible for me to pay them all, including my water bill. That is why I strongly ask that you give me the opportunity to have a payment plan, since if I do not pay before the 4th of the current month, I am at risk of losing my rental contract and being sued by my landlord.

Sincerely,

Ingrid Carvajal
