Subject: Mohonk Preserve - Temporary No Parking Resolution

Good afternoon Neil,

I hope this finds you and yours well and getting time to enjoy the spring weather.

I'm reaching out today regarding Mohonk Preserve's upcoming Rock The Ridge 50-mile endurance race scheduled for May 14, 2022.

As we did in September, we would like to request temporary No Parking zones for the race in the area around the Testimonial Gateway. We understand that this temporary ordinance still needs to be in effect for the race with a resolution passed by the Town Board.

Would you be able to address this at your upcoming Town Board meeting on Thursday 4/21?

We would like the No Parking to be enacted Saturday, May 14, 2022 from 4AM to 11:59PM.

If your Board approves the resolution we will work with PDQ to have the signs made and our team will post them. Will the Town Highway Department still be able to supply the stakes for posting the signs? I believe this was the case in previous years.

I've attached the 2021 resolution for your reference as well as the map of sign locations.

Please let me know if you need any additional information, have any questions or concerns and whether this can be included on your agenda for 4/21.

We greatly appreciate your assistance. Many thanks and enjoy the holiday weekend.

Ellen
