Water Meter Rental Agreement

A check made out to the Town of New Paltz for \$1,300.00 dollars to cover the cost of the meter if stolen. This check will be returned to you if the meter is returned and is in working condition with no damage.

A water account must be set up prior to drop off with the finance dept. to reimburse the town for water used. This will be determined by the meter read on the meter at the time of pickup.

The cost for the rental of the meter is \$100.00. This is for the duration of 1 month or 31 days with a one-month minimum charge. An additional \$100.00 dollars will be charged for every additional month.

As the water commissioner I reserve the right to shut down water at any given time WITH NO PRIOR NOTICE due to but not limited to, Fire, Water main break, aqueduct shut down, or any other circumstance that I deem for public good.

Estimated water usage and duration of time: ____ 1,500 gallons / day for 3 months ____

Board approval will be needed as stated in Section 137-36 of NP code.

Meter specs: ZPM Class II 3" meter, one 3" fire connection, one 2" check valve, one 2" ball valve and one 2" reducer.

Meter reading start date: _____ Meter reading end date: _____

Dropped off meter date: _____ Picked up meter date: _____
