**WHEREAS**, in June of 1969, patrons and supporters of the Stonewall Inn in New York City staged an uprising to resist the police harassment and persecution to which LGBTQ+ Americans were commonly subjected, marking the beginning of a movement to outlaw discriminatory laws and practices against LGBTQ+ Americans; and that LGBTQ+ folks continue to suffer discrimination, hostility and exclusion at almost every level of society, including in areas of housing, education, employment, healthcare, family law, immigration and marriage equality; and,

**WHEREAS**, LGBTQ+ Pride Month has been celebrated each year since in the month of June to honor the commitment of the LGBTQ+ pioneers who fought for civil rights in the 1969 Stonewall riots in Manhattan, a critical tipping point historically for the LGBTQ+ community in the United States; and during this month we celebrate the progress we have made in creating a community more inclusive and accepting of LGBTQ+ people; and,

**WHEREAS**, throughout much of the history of the United States, same-sex relationships were criminalized in many states and many LGBTQ+ people in the United States were forced to hide their LGBTQ+ identities while living in secrecy and fear; and,

**WHEREAS**, on June 26, 2015, the Supreme Court of the United States ruled in Obergefell v. Hodges, 135 S. **WHEREAS**, the Village of New Paltz made history in Peace Park on February 27, 2004, as the location of the first same-sex marriages in the country (outside of San Francisco) under former Mayor Jason West, and the community has since hosted the annual Hudson Valley Pride Parade & Festival every June; and,

**WHEREAS**, LGBTQ+ people in the United States face disparities in employment, healthcare, education, housing, and many other areas central to the pursuit of happiness in the United States; and,

**WHEREAS**, many states have no explicit ban on discrimination based on sexual orientation and gender identity in the workplace, housing, or public accommodations, and many states have no explicit ban on discrimination against LGBTQ+ individuals in education; and,

**WHEREAS**, the LGBTQ+ community has faced discrimination, inequality, and violence throughout the history of the United States; and,

**WHEREAS**, LGBTQ+ people in the United States, in particular transgender individuals, face a disproportionately high risk of becoming victims of violent hate crime and higher likelihood of being homicide victims; and,

**WHEREAS**, in 2009, President Barack Obama signed the Matthew Shepard and James Byrd, Jr. Hate Crimes Prevention Act (division E of Public Law 111–84; 123 Stat. 2835) into law to protect all people in the United States from crimes motivated by the actual or perceived sexual orientation or gender identity of an individual; and,

**WHEREAS**, despite being marginalized throughout the history of the United States, LGBTQ+ people in the United States continue to celebrate their identities, love, and contributions to the United States in various expressions of Pride; and,

**WHEREAS**, the inclusion of LGBTQ+ people in the United States continues to expand every day and LGBTQ+ people and their allies in the United States remain determined to pursue equality, respect, and inclusion for all individuals regardless of sexual orientation or gender identity; and,

**THEREFORE, BE IT RESOLVED** that the Town of New Paltz Town Board declares June 2020 LGBTQ+ Virtual Pride Month and memorializes it as such in this Resolution, as a symbol that we stand as allies even when a global pandemic prevents us from marching together; and,
