Mon Jan 24, 2022

PRESENT

Mark Eis	Tara Fitzpatrick	Lou Klepner
Daniel Lipson-	Judy Mage	Janelle Peotter
Stephen O'Shea	Daniel Schniedewind	

Meeting called to order at 7:01pm.

AGENDA ITEMS:

1. Someone has been driving an all-terrain vehicle (ATV) on rail trail. Kara might be putting up a trail camera to find out who it is. Town police have jurisdiction.
2. Gardiner Wallkill Valley Rail Trail fencing at Old Ford Road – not compliant with Americans with Disabilities Act?
3. Trans-Hudson Project
 - a. NYS DOT has yet to approve the site plan.
 - b. DTS Provident (traffic consultant to NYS DOT) shared there are numerous vehicular issues that raise concerns.
 - c. Susan Blickstein is recommending that a bike/ped specific consultant reviews the design. This would not obstruct the project. It's not time sensitive. We could discuss it further at subsequent meetings.
4. Updates about Henry W. Dubois Drive project
Members inquired about the schedule for completing this project.
5. **Compile speed limits of every village/town road...** since e-bikes are only allowed on roads with posted speed limits of 30mph or less. Passage of a local ordinance could change this restriction. Lou has been using Open Street Map for this.
6. Request for more information from the county officials about speeding up the construction of shoulders on Route 299 from Butternut Road to Route 44/55?
7. Neil will ask Police to do enforcement **of pedestrians** at Lola's intersection.
8. Matt: each signal at N. Front and N. Chestnut has an identifier. You can call the phone number and let the official know it's not oriented properly. Matt will follow up on this.
9. Let's approach DOT again for a crosswalk at Prospect now that Sunoco has a proper curb cut. DOT will be making improvements on Main Street, but not until around 2024.

Meeting adjourned at 8:31.
