AGENDA ITEMS:

1. Lower the speed limit
 - a. in front of the high school.
 - b. On Main Street. We can draft a letter to our local officials. Then they send to Lance MacMillan at Regional Directors Office at the NYS Department of Transportation. Ask for flashing sign, in-street crosswalk sign, island in middle (yellow safety zone). Any updates? Lee Zimmer is now Acting Regional Traffic Engineer.
2. Us meet with Sandra Jobson: she informed Steve that the meeting would have to be arranged via initiation by Tim/Neil. We can ask to attend.
3. Route 299 shoulder project: we can reach out to Jen Metzger once she becomes county executive. Lou knows the engineer for the shoulders – someone in Ulster County public works – an engineer named Andrew Emrich, -- or planning. It's looking like 2024 now. Dan L will contact Andrew.
4. Ask for a **flashing beacon** at Karma Road / WSM.
5. Asking for crosswalk at Prospect Street by bus station.
6. Request for in-street **crosswalk sign at Ridge Apartments** / 32S. Request for more police enforcement of motorists failing to stop for pedestrians at crosswalks. Missing in-street crosswalk signs at Plattekill / S. Oakwood Terrace as well as River to Ridge trailhead at Springtown Road.
7. Missing in-street crosswalk signs: let's make a spreadsheet and log/track it.
8. Rosendale bus stop need for crosswalk.

Steve heard back from Lance M saying DOT would not approve a crosswalk there on 32N. It would give a false sense of security given 55mph speed limit.

9. We met with Sandra Jobson 4 years ago. Let's schedule another meeting with her. Bring up Americans with Disabilities Act (ADA) concerns with her.
10. Right-turning lane by Stewarts (on 32N heading north, turning right onto Henry W. Options: add sharrows there, or make it no right turn on red?

11. Trans-Hudson Project has been fully approved.

Meeting adjourned at 8:31.
