NEXT MEETING

Mon Apr 24, 7-8:30pm

AGENDA ITEMS:

1. Handouts from NYS DOT about pedestrian safety (see shared Google Drive folder)

Julie: she would bring them to auto repair shops. She would like Chief Lucchesi to share these with police so they can give them out. We could put them in restaurants and give them to the Ulster County Mobile Department of Motor Vehicles.

2. "Status of Sidewalk Master Plan 2008"

Daniel and Tom will work on this. My advice: check with Tim and Neil to ask whether they've updated / prioritized.

3. Daniel: legislative letter strategy team

Michael Reade, Dan Lipson, Marc Eis, and Daniel Meeter will contact Senator (Michelle) Hinchey separately, Jen Metzger separately, Sarahana separately. We will write a letter to County Executive Jen Metzger regarding the Route 299 shoulder project. Lou suggests that we ask for a comprehensive study/analysis of dangerous places around the county.

4. Earth Day ride – Sat Apr 22, 2023

Michael and Steve and Tom will take the lead on organizing this. They will arrange a meetup at the River to Ridge trailhead. The route might entail doing the River to Ridge farm loop, then ride on the rail trail and have a connection to Huguenot Street.

Meeting adjourned at 8:31.
