Section 8. The Town intends to issue the obligations authorized by this bond resolution to finance the costs of the Project. The Town covenants for the benefit of the holders of the obligations authorized herein that it will not make any use of the proceeds of such obligations, any funds reasonably expected to be used to pay the principal of or interest on such obligations or any other funds of the Town, and will not make any use of the facilities financed with the proceeds of such obligations which would cause the interest on such obligations to become subject to federal income taxation under the Internal Revenue Code of 1986, as amended (the "Code") (except for the alternative minimum tax imposed on corporations by section 55 of the Code) or subject the Town to any penalties under section 148 of the Code, and that it will not take any action or omit to take any action with respect to such obligations, the proceeds thereof or any facilities financed thereby if such action or omission would cause the interest on such obligations to become subject to federal income taxation under the Code (except for the alternative minimum tax imposed on corporations by Section 55 of the Code) or subject the Town to any penalties under section 148 of the Code. The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of the bonds or any other provisions hereof until the date which is 60 days after the final maturity date or earlier prior redemption date thereof. The proceeds of any obligations authorized to herein may be applied to reimburse expenditures or commitments of the Town made for such purpose on or after a date which is not more than 60 days prior to the date of adoption of this bond resolution by the Town. The agreement formed, collectively, by this paragraph and the Commitment, shall be the Town’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the Town would be required to incur to perform thereunder. The Town Supervisor is further authorized and directed to establish procedures in order to ensure compliance by the Town with its continuing disclosure agreement, including the timely provision of information and notices. Prior to making any filing in accordance with the agreement or providing notice of the occurrence of any material event, the Town Supervisor shall consult with, as appropriate, the Town Attorney and bond counsel or other qualified independent special counsel to the Town. The Town Supervisor acting in the

name and on behalf of the Town, shall be entitled to rely upon any legal advice provided by the Town Attorney or such bond counsel or other special counsel in determining whether a filing should be made.

Section 10. This bond resolution shall take effect immediately upon its adoption by the Town Board of the Town.
