Credit Card and Open Vendor Credit Accounts Use Policy:

The Town of New Paltz will issue municipal credit cards or open credit account charge authorization to certain employees for use in their jobs; this policy sets out the acceptable and unacceptable uses of such credit authorizations. Use of municipal issued credit cards or open credit account charge authorization is a privilege, which the Town of New Paltz may withdraw in the event of serious or repeated abuse. Any credit card or open credit account charge the Town of New Paltz issues to an employee must be used for business purposes only, in conjunction with the employee's job duties. Employees with such credit authorizations shall not use them for any non-business, non-essential purpose, i.e., for any personal purchase or any other transaction that is not authorized or needed to carry out their duties. Employees must pay for personal purchases (i.e., transactions for the benefit of anyone or anything other than the Town of New Paltz) with their own funds or personal credit authorizations. The Town of New Paltz will not regard expenses for one's own business related use, such as lodging and meals while on municipal approved business trips, as personal purchases, as long as such expenses are consistent with the Town of New Paltz's travel and expense reimbursement policy. If any employee uses an municipal credit card or open credit account charge authorization for personal purchases in violation of this policy, the cost of such purchase(s) will be considered an advance of future wages payable to that employee, and will be recovered in full from the employee's next paycheck; any balance remaining will be deducted in full from subsequent paychecks until the wage advance is fully repaid. Such deductions may not take the employee's pay below 25% of their gross pay for the pay period(s) in question. If an employee uses an municipal credit card or open credit account charge authorization for any other type of unauthorized transaction in violation of this policy, i.e., incurs financial liability on the Town of New Paltz's part that is not within the scope of the employee's duties or the employee's authorization to make business related purchases, the cost of such purchase(s) or transaction will be the financial responsibility of that employee, and the employee will be expected to reimburse the Town of New Paltz via deductions from pay until the unauthorized amount is fully repaid. Such deductions will be in the amount of the unauthorized purchase(s), but if a deduction for such amount would take the employee's pay below 25% of their gross pay, the deductions will be in two or more equal increments that will not take the employee's pay below 25% of their gross pay. In addition to financial responsibility and liability for wage deductions, any purchases an employee makes with a municipal credit card or open charge account authorization in violation of this policy will result in disciplinary action, up to and possibly including termination of employment, depending upon the severity and repeat nature of the offense.
