

Park Bench Specifications for Purchase and Placement on Town-owned property in the Town of New Paltz

All benches and chairs no matter the length or size will be made of 100% recycled or composite materials. The legs of the benches or chairs are to be of the same material or made of concrete. The legs will have a two (2) point contact to the ground surface.

The person or persons donating the bench or chair will be responsible for any materials needed to level the placement area, along with any materials needed to secure the bench or chair against theft.

All benches/chairs and any anti-theft devices, must be approved prior to ordering by the Town of New Paltz Highway Superintendent.

A donation fund for replacement may be established for repair or replacement of bench or chair that meets with the Town's Finance Department guidelines.

For inquiries, please contact the Highway Department at 845-255-5050.

Approved January 10, 2018 by the Town Board.
