A motion was made by Supervisor Zimet to put the \$8,000 check from Brookfield Resource Mgmt, Inc., into the General Repairs DB5110.2 Equipment line. Councilwoman Gallucci offered an amendment to that motion to modify the budget by putting that money into, and increasing the Revenue account Sale of Used Equipment DBB980-2665-000 line, which would increase the General Repairs DB522-5110-200 Equipment line. *Concession Stand-* The Town has only received menu information from one vendor, which will not require cooking any of the items. This vendor is asking that a 220v-30 amp breaker be installed, and is willing to pay for the cost.

A motion was made by Councilwoman Gallucci that Buildings & Grounds in consultation with the Town's Building Inspector determine if a 220v-30amp breaker can be installed and to do the work to install it. The money will come out of line A1620.4. Seconded by Councilman Barry, all aye votes cast, motion carried.

A motion was made by Councilwoman Gallucci to approve Hudson Coffee Traders to be the vendors of the concession stand for this 2012 summer season at Moriello Pool. Seconded by Councilman Logan, all aye votes cast, motion carried.

A motion was made by Councilwoman Brown to authorize the Supervisor to sign the contract with the concessionaire. Seconded by Councilwoman Gallucci, all aye votes cast, motion carried.

*Community Center-* Marilyn Littlefoot sent a letter to the Board expressing concern that the new fee structure that was implemented on May 1<sup>st</sup>, has caused dissatisfaction. The instructors feel as though they will not be able to meet their rental fee and may have to cancel classes. Councilwoman Gallucci believes that people need more time to adapt to the change. Councilman Barry would like the Recreation Director to communicate the transition with the public. Councilman Logan will draft a letter to respond to Marilyn Littlefoot.

*Bookkeeper-* Councilwoman Gallucci would like the report from the bookkeeper formatted differently, difficult to follow. Supervisor Zimet updated the Board on the annual report. The report is held up because the switch to the Edmonds program has caused bigger glitches than previously thought. The Comptroller's Office cannot grant another 30-day extension but urges the Town to get the report in as soon as possible. Supervisor Zimet asked when the 2010 Comptroller's audit will be available, and was told that a draft report would be issued by mid-June.

*Water/Sewer-* Supervisor Zimet met with Bob Leghorn, Dave Clouser and Ken Bond to discuss plans to fix Sewer 6. They intend to meet with the residents of Sewer 6 to explain the plan of action to pay back the A fund. She also informed the Board that an offer of land came to the Town near Sewer 6; she will have Dave Clouser look over the details to determine if Sewer 6 can be rebuilt there.

*Town Clerk-* The clerk proposed a schedule for the Joint Town & Village meetings. The Board agreed to meet with the Village on the last Tuesday of every other month, at 7:30 p.m., starting with June 26<sup>th</sup> at the Village, August 28<sup>th</sup> at the Town and October 30<sup>th</sup> at the Village, December-TBD. The Village will discuss this at their next meeting.

*Police Commission-* Councilwoman Gallucci will work with the commission to make sure reports redact info that is not public. There was a discussion relative to how the Town Board and Police Commission should meet jointly to review the roles and responsibilities of the commission, whether there should be a sub-set of members or if the boards should meet as a whole, and if the Chief should be present. The Board determined it would meet with the commission as a whole.

*Parades-* Supervisor Zimet proposed the idea that the Town will pay for Police presence at the Memorial Day and Halloween parades. If the Village wants to have other parades, it will have to pay for the cost of police protection, and the route will have to be approved by the police. She understands this will have to be refined and details will need to be worked out. The Board discussed the possibility of allowing other parades to take place and be paid for by the Town.

*Community Improvement Team-* There is no money available to have personnel from Buildings & Grounds water the hanging plants.

*CWOSP-* Councilwoman Brown has been tracking down money for endowments relative to Conservation Easements.

*Moriello Pool Grant -* A motion was made by Councilwoman Gallucci for the Town to send a check to the Village in the amount of \$2,355.51 tomorrow for the amount was withheld from the Moriello Pool Project grant. This is to come out of the BBB522-7110.400 line. From the same line, a \$4,000 check is being tendered to the Village in good faith for purposes of trying to resolve the remaining funding issues for the Moriello Pool Project. These funds should be held in escrow pending final determination of whether the concession stand was part of the Moriello Pool project. Seconded by Councilman Barry, all aye votes cast, motion carried.
